FEED YOUR BRAIN ON

One cupful molasses, one-half cup strong coffee, one-half cup butter, two and one-balf cup: flour, one tea-spoonful scda, spices and fruit; steam

spoonful scda, spieve and the two hours.
Sauce—One quarter cupful butter, one cupful sugar; work is a cream; one and one-haff cups water in a gancepan; when it holls hicken with flour like cream, then stir in the rest rapidly together. Flavor.

Silver bracelets, to which the Silver braceiets, to which the vanity box, rouge pot and all the chatelaine ornaments may be affixed, are being shown by a leading jeweler, and are very popular with the women, since they enable them to slip all their silver toys onto their wrists when it becomes necessary to use their hands.

New dress shields with patent fast-New dress shields with patent fast-eners that need only to be squeezed to the seam to fasten the shield in place will prove a boon to the aver-age woman 'and since the fastoners' are custproof they may be washed with impunity.

Saleman—You'll find these good wearing sock, air.
Customer—Rattier loud, ain't they?
Calesman—Yes, air. But that keeps the feet from going to aleep.

If you want good fruit or specimen flowers they must be thinned as soon as they dan be handled. This throws the energise of the plant that would have gone to many into a closen few, and do not lose in weight, only in quantity. Keep the hoe going if there are no weeds. A lose, or even dusty, aurface soil in ure bottom moisture.
