Farmington Man Takes Submarine Cruise

Curtis G. Pickens, chief engine-ran, USNR, husband of Mrs. Helen Pickens of 18492 Brentwood, armington underwent a two week retrington, underwent a two-week reserve training cruise from Sep-tember 17 to September 30 aboard the submarine USS Razorback op-erating out of the U. S. Naval Base a Norfolk, Virginia.

at Norfolk, Virginia.

These cruises are conducted to spiplement the academic training carried on in the Organized Submarine Units with a practical working knowledge of the operations of submarines. This balance of instructions is designed to enable members of the Naval, Reserve to assume Regular Navy billets in the Submarine Service should their services be required.

Pickens is a member of the Organized Submarine Division 9-230 o Detroit, and is employed by Mi-

The Most Beantiful Thing on Wheels World Renowned Road Record for Economy and Long Life

Thoroughly Good-and Looks it!

If you do any driving today, the chances are you will see a new Pontiac before you have gone very far-for more people are driving Pontiacs than

glides away in traffic and strides smoothly along the open road.

Some things you can't see, but they are there neverblests. Things like Pontac's dependability year after year—things like the deep pride and satisfaction of owning and driving this immensely respected automobile—things like Pontac's real economy. One look is very convicting, but a few miles behind the wheel is the surest way to know that dollar for dollar you can't beat a Pontac!
