

## Lions Pleased With Response To Seal Drive

Farmington Lions are well pleased with the public response to their "Aid To The Blind" seal drive to date, Carson Baldwin, Lion chairman of the drive, announced Tuesday evening at the Lions' regular meeting at the Buffet.

Donations received from the seals are used in the Farmington area to carry out the Lion pledge of aid to the blind and aid to those needing slight care.

Eugene McCracken, president of the Junior Class at Farmington High School, attended the meeting as a guest of the Lions Club. He will be invited to return to another dinner meeting on December 26. The policy of inviting a high school student to attend the meeting is new with the Lions and will be continued. A different high school student will be invited each month from both the Farmington and the Clarendonville High Schools.

## LET'S TALK TURKEY

Yuh know it's gettin' 'long about the time when we gotta start thinkin' about our Christmas dinner. Course, you'll be wantin' a good fresh-dressed turkey and course we'll be wantin' to know how many we should git so will yuh please order yer turkey when yer in this week end? It would help us a lot and it'd assure you of gittin' close to the size you want. It'll still probably be a little over. Speakin' of bein' a little over — woul'da like to try and cut yerself a lb. of cheese and git it fer free? Last time we did that some of our local gals got themselves free cheese — so what can you lose? Course if yuh don't cut a lb. yuh gotta pay fer it — aint that too bad? But our oysters aint bad. We will have a fresh batch here for the week end and you can git 'em by the pint fer 79c. Now this wouldn't be an ad from Conroy's if the boys didn't have something they'd fixed up special for yuh. This week they got an old crock full of home-made corned beef. Now wouldn't a Maggie and Jiggs dinner taste good along about now? Well — you can git the cabbage fer 4c a lb. and the corned beef fer 69c a lb. Somethin' else we got is our own hickory smoked bacon. A fresh batch is out of the smoke house this week end and you git a pound of that fer jest 69c. Didcha like the idea of havin' tickets on our specials? We sorta think yuh did 'cause you sure helped us git rid of a lot of juice — thanks a lot. Now this week we're gonna try and unload some Mothers Choice whole kernel corn. This is a No. 2 can and we're givin' you 2 cans of it fer jest 29c. If Mother picked this corn out it should be pretty good corn. Yuh know we got a lot of Sani-Flush on hand, too. Now that aint a very Christmasy item — but it's necessary — and fer 19c a can wouldn't you take a lot of 'em — like maybe two cans? To git back to the eatin' stuff, we got some DelMonte pumpkin in the big cans whatcha git 2 cans of fer jest 35c. There aint too derned much pumpkin around so you'd better git it while the gittin's good. You wont say we didn't warn yuh now — will yuh??

## P.T.A. SPONSORS CONCERT INSTEAD OF MONTHLY MEET

The Farmington Parent Teachers Association will act as sponsor for the annual Farmington High Christmas concert instead of holding its monthly meeting.

The Mixed Choir, under the direction of J. W. Henderson, will present the concert Thursday, December 21, at 7:45 p.m. in the high school gym. There is no admission charge.

Another P.T.A. sponsored program will be the Detroit City Players presentation of "Held" to be given in the high school gym January 20 at 7:30 p.m.

This program will not replace the regular monthly meeting, but it being held as a money-raising project, the proceeds of which will be used to fulfill some important school need.

The P.T.A. has not made a final decision regarding this. Several projects such as the purchase of new robes for the high school choir or new volumes for the high school library are currently under consideration.
