### KEITH BRANCH, VIVIAN HADLEY MARRIED DEC. 25

Marine Corporal Keith Branch of Novi and Vivian Hadley of Okemos, Mich., were married on Christmas night at the home of the bride's parents in Okema at a simple holiday ceremony.

The bride, daughter of Mr. and Mrs. R. J. Hadley of Okemos, wore a white wool gabardine suit and carried a corsage of pink roses at the 9 p.m. wedding. Maid of honor Barbara Dowker wore a beige suit and carried red and white baby buns. Dave Fedhila of Northville was best man.

Rev. David Evans of the Okemos Methodist Church performed the ceremony, at which the bride's mother wore a wing crepe dress and the groom's mother a green suit. Following the wedding, a reception for the immediate family was held in the bride's home. Mrs. Floyd Linn served the wedding cake, punch and coffee.

The bridegroom left for Camp Pendleton, Colorado, last Wednesday, and will be joined there this week end by his bride.

### Exchange Club Has Redford Guests

President Harry Erickson of the Redford Exchange Club attended the last meeting of the Farmington Exchange Club, and James Grimes of the same club described Puerto Rico, which he visited recently. Following the guest speaker, newly elected president Max Hulett gave his acceptance speech.

Jerry Harrison and Curtis Hall led the singing, accompanied by Loren Clifford at the piano. A prize donated by Dolores Hamlin was won by Earl Vivier.

### ★ Blue Star Mothers L. McINTYRE

The Blue Star Mothers of America will hold their January meeting and installation of 1951 officers Thursday, January 11, instead of January 15 as previously announced.

There will be a cooperative luncheon at noon in the Town Hall followed by the installation of officers. Guests will be present from Novi and Redford Blue Star Mothers chapters.

The February and remaining meetings of 1951 will be held on the third Thursday of each month as in the past.

The January luncheon and card party of the Blue Star Mothers will be held at the home of Mrs. Alfred Lint, R. 21524 Roosevelt, on Thursday, January 18, at noon.

### Economist Appears On Town Hall Program

The national policy of "giving" used by politicians to gain votes can act as a greedy hand in the pocket of every citizen, Dr. Ruth Alexander, noted economist, will tell a Detroit Town Hall audience at Fisher Theatre on Wednesday morning, January 10, at 11 a.m.

Her timely talk, "What the State Gives Away It Takes Away," explains how the money doled out by government must first be collected from taxpayers.

Dr. Alexander, a featured columnist for a national newspaper syndicate, won a Freedom Foundations award, presented by General Dwight D. Eisenhower, for an editorial on freedom.

### Michigan Mirror

(Continued from Page Two) chief of the agriculture department bureau of dairy industry, says most complaints were due to old cream — indicating improper cooling. Skiver warned the dairy industry that its best defense against yellow oleo is to improve the quality and flavor of butter.

It doesn't help to wear red in the woods. Of the 18 hunters killed in this year's deer season, only one was not wearing the traditional scarlet. He shot himself accidentally.

At least we are keeping our timber. The state is racking up its best forest fire prevention record in history. Only 5,330 acres burned over.

At the same time, nearly 14,000,000 trees were planted by the conservation department last year — largest program in 10 years.

A "continuous session" of the state legislature is being proposed by some Republican leaders as a method of checkmating Governor Williams in 1951. This idea is being pushed on the belief that Williams will try to embarrass the Republican legislature by advocating liberal money-spending measures, all in the name of reform, and then holding up the state corporation profits tax as a painless way to finance them.

Such a political move would prevent the governor from calling the legislature back into special session for dramatic vote-getting effects. The national emergency would be used by legislators to justify the non-adjustment policy. All of this points to a somewhat chaotic condition in state affairs. The re-election of Williams may bring another two years of "politics as usual" instead of unity of administrative and legislative action at the Michigan capital.

### SUNSHINE LADY URGES FRIENDSHIP FOR GOOD YEAR

When feeling "in the dumps", depressed, discouraged, melancholy, and generally at odds, pick up your Bible and read it entirely at random. You'll find much to cheer you.

Under the board's proposal, the cost-of-living adjustment, which would be about 10 per cent, would be effective January 1, but would not be paid until the Legislature voted the necessary funds.

The proposal was voted so that MSC would be in conformity with the action of other state educational institutions and the state Civil Service Commission.

see that life can be beautiful, and that this country of ours is not going to the dogs. By that I do not mean just sending some family money to help them along. Offer friendship and service. A bit of paint to brighten a home could be exchanged for windows being cleaned. It's worth trying, just to make 1951 a happy New Year.

The Sunshine Lady, 1405 S. Hospital Drive, Route 9, Pontiac, Mich.

### MSC Asks Cost Of Living Raise

The State Board of Agriculture will ask the Legislature for a supplemental appropriation with which to adjust wage and salary rates for employees of Michigan State College.

Under the board's proposal, the cost-of-living adjustment, which would be about 10 per cent, would be effective January 1, but would not be paid until the Legislature voted the necessary funds.

The proposal was voted so that MSC would be in conformity with the action of other state educational institutions and the state Civil Service Commission.
