#### WASHINGTON MERRY-GO-ROUND

(Continued from Page Two)

Continued from Page Two)
Attlee should make a preconsure
announcement of his plan—thus
anking it impossible for Truman to
decline. This was why news of
Attlee's plans prematurely leaked
from London.
Churchill also promised Attlee
that no effort would be made to
overthrow the Labor government
while he was away.

ATTLEE'S TORY BACKGROUND

while ho was away.

ATTLEE'S TORY BACKGROUND
Though Truman and Attlee have
much in common politically, Attlee
came from more conservative surroundings. His father, was a Tory
lawyer and president of the Britshe equivalent to the American Bar
Association. After studying at England's ritziest schools and being
admitted to the bar, however,
young Attlee suddenly became a
social worker. At the age of 24 he
went to work and lived in Limshouse, one of London's workmen's
districts, and he has made his life
with labor ever since.

which reads:

"I hear the feet of many men
who go their way...
Through streets that have no pity,
and streets where men decay."
REPAIRS OWN PIPES
Attlee is married to Violet Helen
Millar, and for many years they
lived with their four children in a
modest house in.a London suburb
where Attlee did a little gardening
and repaired his own pipes in his
own carpenter's shop.
Unlike Truman, Attlee is a halting, none-too-forceful speaker,
When he speaks Impromptu, he
hesitates and repeats. The President, on the other hand, is at his
best when speaking off the cuff.
in conferences, Attlee tries to win
his point by charm and persuasion.
The President sometimes gets impatient and petujant.
When Foreign Minister Molotov

When Foreign Minister Molotov When Foreign Minister Molotov visited Truman a few days after Rosseveit's death while en route to the San Francisco conference, the new President spent 45 min-utes bawling him out. There have been many occasions when Molotov deserved such a seoid-ing.

ing.
In Europe, Attlee and his government are considered among th would be the first to suffer.

A CLASSIFIED AD REACHES ALL OF FARMINGTOI

The farm output per man kour is now about twice what it was 40 years ago. Agricultural research has had much to do with this development in improved varieties, machines, techniques and know-ledge of what makes plants and collegan State Collegan State Collegan Predict even greater advances in the next 40 years.
