## Value Your Health More Than Riches

Some folks think that fine clothes and fine, big houses are the most important things in life, but these things really don't mean too much if a person doesn't feel well enough to enjoy them. Most folks don't realize this, but Mrs. Lucy Braswell, of Route 2, Stone Mountain, Ga., realizes it very well. Mrs. Braswell takes HADACOL, and by doing so, she has found the system to overcome deficiencies of Vitamins B, B<sub>12</sub>, Nicotin and Iron. Here HADACOL contains an important statement: "I have been sick for some time with stomach distress. I began taking HADACOL and I have been taking it better and much stronger. I will continue to take HADACOL. I feel my friends about HADACOL. I can't praise HADACOL too much. I am 59 years old."

## SUNSHINE LADY PLANS EVENING ON "MYSTERY TRIP"

For the coming days, we should all ask God to show us the plan and program of life as marked out for us, show us how to be calm, while all about us is turbulent.

It has been brought to my attention that the Greyhound Lines has a wonderful program in which lovely people, or folks who are new to the area, or just others who are looking for an evening of real fun, are urged to take part.

It's called "Mystery Trips," and is scheduled for each Friday evening from now through March 30. When a couple or party boards the bus at the Detroit terminal, they will find that the evening will include dinner and dancing at a well-known supper club, and loads of other fun. Additional information can be had from Rex Williams at Tasham's 6-4200. I'm attending the one held February 9. Perhaps I'll see some of you on that trip.

I also understand that the Oakland Lions Club has a fine array of men's and women's clothing for distribution to needy families in the north part of Farmington Township. The clothing has already been cleaned, packed, and is ready for delivery. Requests may be made for the clothing by dropping a penny post card to the Oakland Lions, Box 47, Walled Lake. The women's roll offer is also open to folks living in Walled Lake, Wilson, Wolverine Lake, and Oakley Park.

I think it's wonderful when men get together and do such good deeds. Of course, the Lions clubs are well known for the good they do.

It's getting near Valentine's Day. When buying your remembrances, be sure to buy an extra one for some lonely person or a shut-in. Or remember an old friend such as Rev. and Mrs. Estelle Stubbs, Keego Harbor, Michigan. Mrs. W. Wylie, 5554 Columbia, Detroit 28, goes through long shut-in days from time to time, and always enjoys mail. May I have the name and address of Farmington boys in service? The Sunshine Lady 1493 S. Hospital Rd. Rt. 9, Pontiac, Michigan.

## Scandinavia Topic Of Town Hall Speaker

The dangerous position of Scandinavia in the cold war with Russia will be discussed by Spencer Irving, foreign affairs columnist of the Cleveland Plain Dealer, who will speak at Detroit Town Hall Wednesday morning, January 24, at 11 o'clock in Fisher Theatre. Irving returned recently from Norway, Sweden and Denmark, equipped to tell of the latest developments in these vulnerable countries.

fall to Russia without a battle is Iran. Already, Soviet pressure has caused Iran to ban rebroadcasts of the Voice of America and to banish the American Broadcasting Company on local radio stations. Meanwhile, a secret Russian station has been calling Kurd tribes to revolt.

President Truman came into a cabinet meeting some time ago carrying a copy of the New Republic, the liberal weekly magazine. During the cabinet session, Secretary of Defense Marshall complained about the difficulty of getting cooperation from General MacArthur. He indicated that MacArthur was a law unto himself. Truman listened, finally held up a copy of the New Republic.

"This is the way to handle that bird," he said. Cabinet members, after the meeting, immediately sent for copies of the magazine. It contained an article by Harold J. Lee criticizing MacArthur for violating directives from Washington.

HAPPY CHANDLER'S TEARS Senate colleagues always knew Baseball Commissioner A. B. (Happy) Chandler as one of the happiest men in congress when he served as senator from Kentucky. But his smile turned to tears at his annual banquet for major league club owners in Tampa.

Happy had just been informed by his guests that his \$5,000-a-year contract would not be renewed. No one was expected to show up for the banquet that followed, but Chandler, went through with it nonetheless. News reports that the party "proceeded without a hitch" were wrong. It started at 8:00 p.m.—two hours late. All but New York Giants' Horace Stoneham and St. Louis Cardinals' Fred Saigh came. Saigh is the big gun behind Chandler's ouster.

The unhappy host refused to take his customary seat at the head table but sat by himself with his back to his guests. Several times he was forced to leave the room to wipe his eyes.

Chandler, sitting alone, said he was sitting where he felt he belonged. Once he went out for a box of cigars and presented them to Joe Cronin of Boston as an ironic gift for Cronin's anti-Chandler vote. The atmosphere was tense and electric. Hardly anyone dared speak to other guests.

## Parish Hall Scene Of Card Party

The Our Lady of Sorrows Parish Hall will be the scene of a Pre-Lenten card party in January 19, Mrs. Thomas Hildebrandt has announced. Mrs. Hildebrandt is general chairman of the event.

Time of the party will be 8:30 p.m. instead of 11 a.m. as previously announced. Committees for decorations and tickets have been named.

## Adult Bible Class Elects Officers

The Methodist Adult Bible class elected its officers last Thursday evening at the annual meeting, held at the home of Mr. and Mrs. Courtney Bratton of Wixom Road.

Officers re-elected were Dallas C. Fort, president; and Mrs. Gwendolyn Granger, treasurer; and Mrs. Edna Hoofnagle, secretary. Also elected were Mr. Courtney Bratton, first vice-president; and Mr. Clarence Hoofnagle, second vice-president.

A potluck dinner was served at the meeting. Corn with 30 per cent or more moisture content is likely to spoil even in winter. Artificial drying, feeding immediately, or making corn silage are the best ways of making use of wet corn, says Michigan State College agricultural economists.

## SHOW YOUTH FILM AT SOUTHFIELD CHURCH JAN. 23

"Boys on Trial", a sound motion picture showing how delinquent boys are reached through the work of Mid-Western Training School for Boys, will be shown Tuesday, January 23 at 7:30 p.m. at the Southfield Community Presbyterian Church, 21122 Indian Road.

Ken Anderson, outstanding author, producer and director of this film, also directed "That Kid Buck". Camp scenes reveal procedures used to win the confidence of delinquent boys, and then lead them into a new way of life. The film includes scenes of squad cars, sheriff's officers, probation officers, and shows 74 boys on the march during this special training school.
