According to Sara Loraine Beck, Box 253, Cooke, Alabama. When a person is 15 years old and feels terrible, can't eat or sleep the way they should, it's mighty bad. That is what I feel. Loraine says she used to feel but that was of course, before she started taking HADACOL.

Loraine Beck's own statement: "I was run-down, sick and skinny, and weighed only 90 pounds before I used HADACOL. I would not eat because I had no appetite. Now I weigh 120 pounds and am an appetite. I feel a lot better. I have been taking HADACOL 10 months and am still going. I am 15 years old. HADACOL has done me lots of good."
