MINE SALTING TRICKS.

One Scheme That Baffied a Cauticous and Skeptical Expert.

Salting mines is a practice that is not so common as it was tweny of twee in Mexico and Alaska with great success even in recent years ago, but it has been done once once of the common and alaska with great success even in recent years and the power of twee in Mexico and Alaska with great success even in recent years and the power of twee in Mexico and Alaska with great success even in recent years and the same of which was near Juneau, Maska. Three partners owned as telego, but discovered that the ore was of too low a grade to make it profitable to work. They, however, edicated a sale on a basis of a total price of \$4.50,000, 67 which 25 perfected a sale on a basis of a total price of \$4.50,000, 67 which 25 perfect were sent to sample the ore. The contrast of the total price of \$4.50,000, 67 which 25 perfect were sent to sample the ore. The contrast of the total price of \$4.50,000, 67 which 25 perfect were sent to sample the ore. The contrast of the total price of \$4.50,000, 67 which 25 perfect were sent to sample the ore. The contrast of the total price of \$4.50,000, 67 which 25 perfect were sent to sample the ore. The contrast of the total price of \$4.50,000, 67 which 25 perfect were sent to sample the ore. The contrast of the total price of \$4.50,000, 67 which 25 perfect were sent to sample the ore. where it had for several days on the wharf avaiting a San 'Francisco beat and in charge of a watchman might and day.

While tipe samples were an the wharf have fellows, dressed as travelers or tourists, with their little dude canes; strolling around, would come to these sacks; ask the watch man alt of foolish questions about them; and lall the time they would be stabbing and punching the sacks with their dude canes, which were baded with chloride of gold. This are repeated several times, which were baded with chloride of gold. This are repeated several times, and all the changing tiggs guise. It was a well done that the third engineers received their first women, all that they expetted. About lifteen years ago a property on Signal Bill, Gripple-creek, within less than a mile from the town, was satted by using chloride of gold in a slotegun, shooting it into the breasts, of the drifts and bottom of the shaft. It was so well done that the three the first payment, amounting to \$10,000.

Brother Jonathan.

The United States has been been the property of the property of the drifts and bottom of the shaft. It was so well done that the three the breasts, of the drifts and bottom of the shaft. It was so well done that the swindlers received the first payment, amounting to \$10,000.

Short Lived Genius.

Lucas Jacobsz, known to the world as Lucas Van Leyden, paint and engraver, when he had barel reached his minth year made someogravings after his own designs, at twelve painted his well known "St. Hubbert" and at Jourteen gave the summer of the monk Sergius by Mohammed. At thirty-nine he was dead with a remarkable record of achievement behind him, a life unfortunately whereig the promise of his youth was by no means fulfilled.

nately was by no means ...

Declined With Thanks.

In many respects it [the article] has a good deal of merit, but on the whole I do not think it suited to she leview. * o Perhaps my old not agree with the property of the whole I do not think it suffect to the Review. * * * Perhaps my judgment would not agree with that of others whose opinion is to be respected; but, after all, you know, we editors have no other criterion than our own judgment.—James Sparks, Editor North American Re-view, Rejecting a Manuscript by Henry Wadsworth Longfellow.

Downtrodden Mankind.

"Isn't it time for the mail, mamma?" said the young girl.

"Never say mail, my child; call it post, my dear." replied the shorthaired medice.

"Why can't I call it the mail, mamma?"

"Never mind now, dear! I'll tell you why when you're old enough to be a suffragette." — Yonkers Statesman.

'Tis an III Wind.

A husiness man in the midlands the other day circularized the customers of his firm:

"I am sorry to tell you that my pleased to inform you that you pleased to inform you that you now have an additional 5 per cent discount, as there is now only one to keep."—Manchester Guardian.
