## P.T.A. Discusses World Citizenship

The Clarenceville Parent Teachers Association held a meeting on Tuesday, February 20, in the school gym.

The first part of the meeting was a tap dancing recital by the pupils of Mrs. Betty Goetz. The recital was substituted for a musical program which was unable to appear due to the illness of Mr. Leo Leinaw. All the pupils in the recital had been taking lessons only since last September, but they gave a very entertaining performance.

The second part of the meeting was conducted by Mrs. Georgia Dennis, the president of the P. T. A. There was a panel discussion on "World Citizenship". The panel was composed of Mr. Max Miller, Mr. Harry McKirrick, Richard Maki, John Kennedy and Burton Davis. All are instructors at Clarenceville.

The group covered the following points: (1) the need for information regarding other people of the world, (2) the need for a clearer understanding between our country and other countries, (3) the opinions that other countries have of our way of life, (4) discussion on our foreign policy in Europe and China.

After the meeting a luncheon was served.
