Severed Arm Found In Store

At 8 p.m. yesterday evening a severed arm was discovered in the rear of a place of business located at 32420 Eight Mile Road, West.

When the store owner, L. McGlocklin, was interviewed, he admitted knowledge of the arm's presence and further testified that it had belonged to Mrs. Couchon of this city. The arm had fallen off when someone leaned on it too heavily. Mr. McGlocklin of Farmington Upholstering is presently attaching said arm to the chair from whence it fell.

McGlocklin respectfully reminds you as follows: "Our upholstery men stand up under the hardest sitting." We answer all calls made to Farmington 2042. It's an ad.

In the beginning when television first began its phenomenal climb to the top of the entertainment heap, the critics kept yelling "Enter the age of the TV cultural advancement now." We hate to see 'em all calling their words. But we'd like to point out a few things that proved the critics wrong on all counts. Television has proved to be the best medium EVER DISCOVERED for the advancement of culture and education. In Los Angeles recently the TV are picked up a telecast showing some of the outstanding art works from the world-famous collection of Herman Rothschild. For the first time in their lives... many people were given a first-hand opportunity to see and hear about famous paintings from all over the world. The idea of television art shows is picking up momentum, too. And soon every museum in the country will be having its spot on TV. There's a lot of excitement in TV all right. You just have to SEE it to BELIEVE it.

To the Editor:
Receiving and reading the Enterprise between the battles in Korea was one of the only ways that I knew what was happening to our friends in Farmington. Now I would like to tell to those friends a story that happened to a few of us in Korea, which helped us more to know what we were fighting for. I am now recuperating in Tokyo, Japan, from a case of frostbite of the feet and legs, received near Wonju, Korea.

After the now historical Airborne drop of the 187th Airborne Regimental Combat Team in the Suikhen, Suichon area in North Korea, they were to fight their way to the North Korean capital city of Pyongyang, capturing the many North Koreans retreating from that city.

We captured the fairly large city of Yongju and prepared to hold there for three or four days. The third day was Sunday, and our chaplain, Major Samuel, went on Saturday to a small war torn church to try to put it into condition to hold services there on Sunday.

Upon entering the church he found 15 or 16 North Korean Catholics holding a small service there. One of the English speaking Koreans told him of how their minister was shot by Russian soldiers there in 1948 when he tried to hold secret meetings to preach the word of God. After that the congregation took the decorations of the church and buried them in the mountains near by as the Russians could not destroy them. Since then they have had no freedom of worship, nor have they been able to get together to worship in the House of God.

When Chaplain Sampson stood in front of his congregation the next morning, in the church decorated by the statues hidden in the mountains, he said it was probably the proudest moment of his life, for on one side of the church were seated 200 American soldiers, all praying to God that peace would soon come to the world and they would not have to kill any more, and on the other side of the church were about the same number of North Koreans, not even understanding

contributed by various members of the group. A real feature was a detailed talk by Mrs. V. Reddy, describing her recent visit with the Cub Scouts to the Shrine Circus. These boys witnessed night fight between animals, as reported by Detroit newspapers. Refreshments came at the close of the meeting.

The next Sunday get-together will be held in the Neighborhood Church on Wednesday, March 7. "Our Servicemen" will be the topic.

Mr. and Mrs. Robert Laughman from Bethel College, Indiana, were guests this last week end of Mrs. Laughman's parents, Mr. and Mrs. Ernest Tallman.

Mrs. David McWhinnie of Detroit was the Friday guest of her mother, Mrs. Stanley Chavay.

The Boy Scouts report a very successful paper drive last week. Mrs. and Mrs. Leslie Grundy were among the adults who accompanied the Cub Scouts to the Shrine Circus last Monday.

Mrs. Erwin Bollinger reports that her son, Sgt. Don Bollinger, has been with the Armed Forces in Korea, has been awarded the Purple Heart. Don is still hospitalized, having wounds treated, but expects to be back at the front soon.

The Thromes, from Ypsilanti, visited with the Austin Aults on Brentwood last week end.

Don McClelland, who has been convalescing from a long, serious illness, was able to step outside a bit this week and enjoy the mild, spring-like weather.

Mr. and Mrs. Herman Koyser, from Huntington Woods, were guests last Saturday evening of Mr. and Mrs. Russell Ault.

Frank Broquet, Norfolk Avenue, was in Highland Park Friday evening attending the marriage and wedding reception of his youngest daughter, Ruth Broquet.

There are now strong hopes that Norfolk Avenue and nearby unpaved side-streets will remain passable through the spring season. Early in the week, because of warnings issued by the newspapers and radio, many residents became more than a little panic stricken.

Pat and Esther Ann, children of Mr. and Mrs. George Middlewood, are reported on the sick list.

Mr. Young gave an interesting talk at the Thursday evening service in the Neighborhood Church. Anyone is welcome to attend these Thursday night meetings.

The Neighborhood Sunshine Sisters held a meeting in the Neighborhood Church last Wednesday afternoon, thirteen ladies and nine children appearing during the afternoon. "Abraham, The Man Of Faith" was the devotional topic and Bibles were used in searching for appropriate references. A comparison was made of the lives of Abraham and Washington. Some fine clippings and quotations were

TEACHERS PLAN SKIT TO ENTERTAIN NOBLE P. T. A.

A skit by the teachers will be the entertainment scheduled for the March 5 meeting of the Noble Parent Teachers Association, according to spokesmen for the group.

At the last meeting, the group donated \$300 to enlarge the school's library, and another \$50 to purchase film strips for the projector. The group is also planning a potluck dinner for March 10.

Lunch for the 8 p.m. meeting will be served by Mrs. N. Hoffman and the kindergarten mothers.

The language being used, but thanks to God that these soldiers of war have come to give them back their faith, and Freedom of Worship. The wondered about the soldiers that took time out from war to worship God.

Hoping you can rewrite this story and use it. I remain,

Sincerely yours,
