### Livonia Health Guild Sees Okinawa Film

The Livonia Health Guild is inviting all community women to attend its meeting March 5 at the Newburg Methodist Hall, says Mrs. Stuart Shauler. The group will meet at 12:30 p.m. for luncheon, and then will hear Dr. James Clark Maloney, psychiatrist, who will show a film, "The Okinawans". The film, to be shown at 1:30 p.m., describes the parent-child relationships and shows the way of life of the people of Okinawa. The film will be followed by a business meeting and election of officers.

Reservations for the luncheon close Monday, March 5, and may be placed with either Mrs. Stanley Hayes at Livonia 2527, or Mrs. Houseman at Farmington 1699. The Newburg Methodist Hall is located at the corner of Newburg Road and Ann Arbor Trail.

### TRY AN ENTERPRISE CLASSIFIED

### ROLLING DOWN THE RIVER

By Bob Kettler

Well, there is one thing for which you've got to give television credit. It's certainly given women a chance to get things off their chests.

We've sort of been going hither and yon with our heads in the clouds, these past few days, because of a letter we received from a lady in Farmington. Seems she likes to read our column and wrote to tell us so. In fact, she says if we could sell Studebakers as well as we write there should be nothing to keep us from making a lot of money. Well, thanks a lot dear lady, and to tell the truth we spend most of our time trying to make this column click, the Studebakers with their wonderful economy, beauty and power, sell themselves. The only thing that keeps us from having enough money to buy three pounds of steak in a single operation is an organization called the Bureau of Internal Revenue and March 15th.

Now we happen to have a friend who, it turns out, is also a bit of philosopher. He also drives a '49 Studebaker. He is of the opinion we haven't been able to coax him into a sparkling new '51 model. He claims, with a howl to our service department, that the car he has still runs like it was brand new. Now thinking like that makes him a bit too darn philosophical in our book, but he did come up with one worthwhile remark that we'll try to remember. "Bob," says he one time, "a pat on the back, while only a few vertebrae removed from a kick in the pants, generally gets for greater results."

We wonder how many of you took our warning about under-casting your car. The city has been right free with its road salt this past several months and there is a rumor about that they have several tons of it left in case old man weather tosses some more ice our way. If that car of yours doesn't have that rubberized coating, where it needs it most, the saving a field day. Next time you come in, we'll pat you on the back. "a few vertebrae removed from a kick in the pants, generally gets for greater results."

Yours,  
BOB KETTLER

### V. F. W. REPORTER: Alert Veterans To New Peace Group

Veteran organizations were alerted the other day to a new group recently formed. They are known as American Peace Crusade, their object, it seems, is to sell the American public on the idea that we should do business with Red China, and then to join the United Nations and withdraw our troops from Korea. It's reported that they are communist inspired, also their plan-

ed activities are communist directed.

The National Legislature Committee of the V. F. W. has asked for stabilization of all rents at the January 25 level to make them conform with the general wage level - because rent is one of the largest items on the family budget.

Latest news on the draft front is the recommendation by the Sen-

ate Preparedness Committee that 18 year olds be drafted. The debate still goes on in the Senate and House. It is believed that drafting young men at that age is gaining strength.

We hear that our Senior Vice Commander, Harry Kutschke, and of course Fran, have a brand new big girl (11 pounds) at their house now. We hope the father has recovered and the mother is doing fine. The way Harry walks down the streets is not because he has a back injury - he's just proud.

We expect the Dempsey house-

hold to expand any day now. Yep, George is planning on how to feed about 8 more mouths.

Oh, yes! We are having our next V. F. W. meeting on Power Road, in the rear of the Menendez home. Chester has graciously offered us a meeting place, rent free, so that we might save for our building, which is still in the planning stage. Don't give up, we are still hoping that some day it'll come true.

If you have old newspapers piled

around the house and want them out of the way, call Bill Fairley, Southfield 4771, and I'll see that they are picked up and sold. Proceeds will go toward the V. F. W. Home.

Howard McCracken has returned to his home on 12 Mile Road after a business trip to Atlanta, Georgia.

The G. A. Taras on Farmington Road entertained Mr. and Mrs. Don Gillies from Lincoln, Michigan, over the week end.
