to use that authority. I haven't as yet asked Arthur Fleming to head up this manpower commission, but I intend to do so. And if he doesn't accept, I may head it up myself."

"Well, we don't like a proposition like that," spoke up CIO president Phil Murray. "We represent the men and women engaged in war production work and we think we should at least have an equal voice in the government's manpower policies."

Murray added that if Wilson became manpower chief in addition to his top job as mobilization boss,

it would be the same as a man "taking advice from himself."

Note — Other labor leaders attending the meeting were: Dan Tracy, president of the AFL electrical workers; Al Hayes, president of the international association of machinists; George Leighty, chairman of the railroad labor executive association; and James Carey, CIO secretary-treasurer.

INSIDE THE COMMUNISTS

There was something funny about the way Farrar, Straus & Co. suddenly joined Hilde Massing's new book on life inside the Communist party. She's the ex-wife of Gerhart Eisler, and the book won't do Stalin any good. . . . The manuscript was immediately snapped up by Duell, Sloan and Pearce. . . . Communist party membership has taken on a terrific beating in Europe in the wake of the Marshall plan, the tie of toys, the friendship train and other friendship projects to Europe. In the Dutch parliament, Communist seats have dropped from 56 to 27. In the Soviet zone of Austria, Communists lost 10 of their 11 parliamentary seats. In Belgium, they lost five out of 12 seats in the lower house and two out of five in the senate. . . . In Denmark, they dropped from 75 elective posts to only 24. . . . The Dutch Communist newspaper is now down from 400,000 circulation to around 100,000, while the Communist press of France has taken similar losses. . . .

Most amazing development, however, is in Italy, where two top Communist senators have resigned from the party.

MILITARY SCUTTLEBUTT
The air force is probing complaints of kickbacks and shortages at the Bolling field officers club outside Washington. Major Dan H. Rogers, officer-in-charge, has resigned. . . . Army Chief of Staff General Collins told the senate armed services committee behind closed doors that there are now 530,000 Communist troops in Korea. MacArthur's intelligence at the same time reported only 276,000 men.

Michigan is a good place to grow regionalism and a small patch can provide many interesting food touches. Michigan State College home economists say the leaves alone are used and tea with peppermint is a favorite drink.

Jack Benny, CBS radio star and author on the 39th birthday, will turn his program over to Girl Scouts on March 11, their 39th birthday.

Cpl. James Mousseau Gets Leave To Tokyo

Cpl. James R. Mousseau, son of Mr. and Mrs. Joe N. Mousseau, 22950 W. Six Mile Road, was recently sent on "Operation Relax," a rest leave from the Korean battle front, to the Meiji Hotel in Tokyo, Japan. Mousseau's unit, the 7th Division, was the only United States force to reach the Manchurian border and was one of the last units to leave the enemy-surrounded beach-head at Hungnam, in what was the largest water evacuation in American military history.

Exchange Club Hears Sergeant Kozowicz

Farmington Exchanges heard Sgt. Henry P. Kozowicz of the Detroit Post, Michigan State Police, discuss crime prevention when the club met last Wednesday at the Methodist Church.

Sgt. Kozowicz pointed out that child delinquency usually is traced to the home. He gave several pointers which inhibit the beginning of crime, in addition to giving a brief history of the State Police and a description of a typical day in a trooper's life.

Harley Walters of the Detroit Edison Company was initiated into membership of the club by Max Hulett, president. Foster (Smokey) Aschenbrenner is the Junior Member for this month.

Pierson PTA Stockpiles Bandage Material

Mrs. David Jones of 15335 Sunset Street will receive clean white material for use as bandages as a result of the February 22 meeting of the Pierson School Parent Teachers Association.

The association heard Dr. Ed-

ward Katulski, Lt. N. S. N. R., describe the effects of the atomic bomb. Dr. Katulski answered questions from the audience about what measures civilians should take in preparation for a possible atomic attack. The group then decided to stockpile white material for use as bandages.
