LOOKS LIKE TROUBLE

It's goin' — goin' — goin' — it's a home run — and when the word gits around that Conroy's have beef chuck roasts fer: 69c a lb. there'll be a lot of people runnin' home with one of them. What's nicer fer Sunday dinner with the potaters cooked around it and a few carrots thrown in? If yer a chill sauce on yer roast eater you'll wanna fly out of here with a bottle of Heinz chill sauce fer jest 29c. Betcha you'd make a hit, too, if you'd serve some of Conroy's coffee. It's jest 75c a lb. and we'll grind it any way you want it. Maybe the small fry around your house aint big enuf to drink coffee yet so we would kind of like for you to know we sell standard milk 2 quarts fer 39c and homogenized milk 2 fer 41c. It's nice to know anyhow — aint it?

You won't be a foul ball if you take home one of these smoked picnic hams fer 43c a lb., either. Peas always go kindda nice with ham if yuh like peas and we've got some Quaker sugarmelting peas 2 cans fer 35c. Since you're the umpire in the kitchen better check the sugar can cause we got some 10 lb. bags of Michigan sugar fer 89c and of course you'll want a pound of butter fer 69c. Today — they tell us — the baseball season is open in full bloom — that spring is here?? — and the rain aint hurt the rhubarb — so we would like to remind you that there are some good lockers available — and if you are going to freeze your fruits and vegetables this year why don't you stopl around and git yer name on one?? It takes a lot less time to freeze things — they taste a lot better, too — and you'll have your afternoons free to listen to the ball games. Sounds like a swell idea, doesn't it?
