EVERYBODY'S TALKING! --

About the weather, of course, but we read someplace that people shouldn't gripe about the weather 'cause that's somethin' yuh can't do nothin' about — but you can do somethin' about keepin' yer furniture bright and pretty. Everybody's talkin' about Johnson's new furniture polish called "Pride". Now we got a small wagon box full of it and betcha yuh'd be awful happy with it if yuh'd try it. If you like pickles betcha yuh'd be pretty happy with some of Crosse and Blackwell's fresh cucumber pickles, too. They're packed in a re-usable glass and fer just 19c each what can you lose? The glass would cost yuh a dime and yer gettin' a whole slug of good pickles fer 9c. Sounds like a good deal, aint it? And aint it the truth that when you fry pork sausage you get awful mad when yuh wind up with a pan full of grease and one lonely little mouthful of sausage? Well — have you tried Conroy's sausage lately? It's made with real honest-to-goodness meat in it and yuh can have it fer 59c a lb. To go around this sausage you might have a pancake and to go around the pancake we got some pure maple syrup in small jars so you don't have to have a big ole can of it settin' around. Then you gotta have butter — dontcha? Does 69c a lb. sound like a good askin' price? Well, that's what we're askin' fer it.

Chicken and biscuits for supper? Are you fixin' that? When will it be ready? We'll all come over. Fer the biscuits we got 5 lb. bags of Gold Medal or Pillsbury fer 49c and fer the chicken we got stewers and fryers ready fer the kettle. These are all fresh and clean and cut up and they're only 69c a lb. You can park right beside our store in our parking lot — whip in the front door — grab off yer chicken — and be on yer way. No waiting in line — what more could yuh ask??
