Washington Merry-Go-Round

1948 for an unauthorized, pro-life force speech on the west coast. Forrestal also complained of his troubles getting the three services to agree on war strategy and a defense budget. Twice he appealed to General Marshall to support increases in the military budget. The first time, Marshall was secretary of state and favored priorities for foreign aid instead. The second time Marshall urged that the extra money be spent for universal military training.

Forrestal also wrote bitterly of his distrust of the French and British. The diary has now gone back to the custody of the President's naval aide, Rear Admiral Robert L. Dennison.

Margaret Plunton Honored At Convocation

Margaret Ann Plunton, 23001 Maple, will receive freshman honors in the College of Literature, Science and the Arts Friday when the 28th annual Honors Convocation is held at the University of Michigan's Hill Auditorium.

Miss Plunton was invited to the Convocation after receiving an average at least equal to half A and half B work for the past two semesters.

Speaker at the Convocation will be Dr. Ordway Tread, editor for Harper and Brothers and chairman of the Board of Higher Education of New York City.

Miss Plunton is the daughter of Mr. and Mrs. Roy Plunton of Farmington.

Farmington Marine "Home" From Korea

A Farmington marine is "home" from the Korean conflict.

Now serving at the Marine Barracks, Naval Proving Grounds, Dahlgren, Virginia, is Pfc. Victor A. R. Stevens, USMC, son of Mr. and Mrs. Herbert W. Stevens of 1847 St. Francis Street.

Stevens entered the military service June 2, 1949, and received his recruit training at the U. S. Marine Corps Recruit Depot, Parris Island, South Carolina.

Before entering the Marine Corps, he attended Clarenceville High School, and was employed by the Maxwell J. Smith Drug Co.

His duties at Dahlgren will be guard details.

Wherry - for President boom the other day. But it boomeranged. Wherry arranged to send a form letter to GOP national committee members recommending himself "as the party's presidential candidate." The letter went out under the signature of Republican state chairman David Martin of Kearney, Nebraska—supposedly without Wherry's knowledge, but actually upon Wherry's orders.

The letter also included a copy of a speech, plugging Wherry, which was delivered at the Nebraska GOP convention by delegate George Tunison. What the letter neglected to mention, however, is that Tunison is Wherry's campaign manager.

SLOW ARMS SHIPMENTS

Britain's new foreign minister, Herbert Morrison, has complained to the American embassy that U.S. arms are slow in arriving.

Morrison told Ambassador Walter Gifford, former head of American Telephone and Telegraph, that shipments are so far behind it is jeopardizing British plans.

Morrison also apologized that his first official contact since taking over as foreign minister had to do with a complaint.

PIERRON SCHOOLS SAFETY PATROL HONORED BY AAA

Pierson School of Livonia will be honored as one of 79 Michigan elementary schools having outstanding safety patrols in their areas this school year, according to Automobile Club of Michigan records.

In recognition, it will be invited to send a safety patrol boy on tour to Washington, D. C., from May 10 through 13, Ernest P. Davis, Auto Club safety director, announced. Name of the boy, to be selected by school and Club officials, will be determined soon.

Michigan's 79 school patrols singled out for honor were selected on basis of efficiency and effort, as revealed in school records. One requirement in selecting the schools was that their safety patrols had to be operating on the first day of school. Educators, police and club safety workers are now encouraging all schools to select safety patrols for next fall before school ends this spring. This will help forestall a high accident toll when schools open.

RECEIVES DRIVING AWARD

E. C. Wheeler, 32630 Seven Mile Road, is one of 114 Shell Oil Company employees throughout the state to receive safe-driving awards this month.

Wheeler, fuel oil sales representative in Shell's Dearborn district, receives a certificate for his 15 years of driving company cars without an accident.

Porritts Open New Restaurant At Novi

The Porritt family, Mr. and Mrs. Alfred, Sr., Alfred, Jr., and daughter Dolly opened their new restaurant at Novi Sunday by serving 350 guests in their new glass-walled, oak paneled building.

More than a score of floral pieces from well-wishers filled the planted front window of the new restaurant, located on Grand River Avenue west of Novi Road. First sketches of the new building were drawn by Robert Davis of Novi in accordance with Mr. Porritt, Sr.'s recommendations.

The business is being operated in partnership by Alfred G. Porritt, Sr., and his son. The eating place serves meals and sandwiches and has fountain service. With the coming of warmer weather drives-in curb service will be extended to include weekdays. At present, the Porritts are offering curb service only on week ends.

"Smart Buy's Roadmaster"

You save time
when you call by number

You'll save yourself time, these busy days, by keeping a list of the numbers of the out-of-town telephones you call most often.

When you call by number, the Long Distance operator doesn't have to take the time to get the number from Information so your call goes through faster.

That means better service for you—and better service for all America, right now when telephone lines are carrying urgent industrial and military calls.

P. S. When you don't know the out-of-town number, why not jot it down when the operator gets it for you. That way you'll have it handy the next time you call.

IT started the very day the 1951 ROADMASTER made its first appearance—and has been building up ever since.

Folks looked at the fresh new styling—the power—the features—the fabrics—the cloud-soft cushions—and the prices—and said, "Here's the smart buy in the fine-car field."

Why don't you come and see for yourself what a sensational buy this proud beauty really is?

It's a honey to handle—a joyous

thrill to ride in—and just about the handsomest thing on wheels. It has room, and poise, and a level-going gait that comes from coil springs front and rear.

There's a triumphant thrill in the willing obedience of its Fireball power and the luxurious ease of its Dynaflo Drive, which doesn't cost you a penny extra.

There's a sweeping view fore and aft through sweepingly broad glass areas, and the new clarity of an instrument panel with greater visibility at night.

Even the brakes are new, self-cooling, with a grip that takes hold like steel fingers in a velvet glove.

Here indeed is a car that is fine in bearing, in action, and in the precision of every structural part—a ROADMASTER custom built by Buick. When will you try one as our guest?

Equipment, accessories, trim and models are subject to change without notice.
