Mrs. Little South experienced an unusual visitor in her attic for several weeks. Then, the neighbor boys got together and investigated, finding a mother "possum" and her young. She was asked to vacate but had to be evicted by force.

The Henry South Bible Class will meet at the home of Mr. and Mrs. John Robertson on Monday this Thursday at 8 p.m.

Word has been received by Mrs. Frank Carlee that Pte. Robert McLean, Robert Carlee, David Hopkins, Stanley Packard, and Bob Schmidt sailed from New Orleans on March 30 by way of the Panama Canal and landed in Kobe, Japan, on April 27. They are now stationed at Camp Crawford in Kokoardo Island.

Lions Members Resist Gate Crashers At Dance

The Oakland Lions Club dance for Walled Lake and Farmington High Schools provided the youngsters with a "wonderful time" despite an attempt at crashing the party made by two cars full of Pontiac youths who had been drinking. The would-be gate crashers were kept from the hall by the Lions, who suffered three casualties in the conflict.

Injured were Vern Willard, club president, Donald S. Stewart, and Al Jean. The three were attacked by the youth who wielded beer bottles. Jean said the unruly guests had been drinking.

The dance was an experiment made to determine whether or not a teenage center for the two high schools would be worth while. It was attended by about 300 students.

We're Playin' Picnic!

Wanna play like yer goin' along? Well — swell — the more the merrier. Now since we gotta work all day, we'll bring the stuff that don't need much cookin' and you can do the bean bakin'. OK? Now if you'd git a couple pounds of navy beans fer 25c here at the store that would be gobs of beans. Then there's Snyder's catsup fer 21c a bottle to throw on top of 'em. If yuh really want them beans to taste extra special good kinda sneak 'in a few slices of that Conroy hickory smoked bacon. Man — that's bacon that's really bacon. Then we oughta have some potato salad — and what's potato salad without eggs? When yuh put eggs on to boil yuh dunno fer sure they're strictly fresh — butcha can hetcher bottom dollar they're fresh when yuh git 'em here. Wouldcha believe it that sometimes our eggs git here so fast from the country that the hen doesn't even know they're gone? Then we need a quart of Salad Bowl salad dressing fer 49c a quart to hold all this together with. Those new California white potatoes that we got make swell salad — doncha think?

Now we got beans and salad. Doncha think it would be fun if we got a bag of charcoal here and roasted some wienies? They've got some skinless ones here fer 59c a lb. and they run about 9 to 10 to the lb. so how many do yuh suppose we'll need? Wouldcha kinda like a side dish of cottage cheese? We could git a lb. of it fer 23c and then that don't like it can leave it. Hey — we oughta have some mustard fer the hot dogs. I'll bring some of that Nance's Mustard sauce. It's the hot kind with lots of flavor. Us big kids'll like that and the little kids'll probably jest as soon have catsup. Since it's jest 21c a bottle we'll git 2 bottles. Since Conroy's got butter fer 69c a lb. should we splurge and butter our hot dog buns? When this mess is over with we're gonna have a mess of dirty dishes. Who's gonna do 'em? Not me — I'm tired — but whoever does can git any kind of soap they like fer 32c a box at the store here. Say — this would be fun — wouldn't it??
