The American Way

The words "Michigan" and "Fishing" are practically synonymous at this time of the year. And after an exciting day's fishing, it's the "American Way" to enjoy a glass of cool, refreshing Michigan brewed beer to top off the day.

For beer is the kind of beverage Americans like. It belongs... to pleasant living, to good fellowship, to sensible moderation. And our right to enjoy it, it too, belongs... to our own American heritage of personal freedom. Beer Belongs... Enjoy It
