Banquet Fetes Senior Class

Girls with new dresses, boys with shiny faces and new suits, and a candlelight table covered with delicious food was the scene in the Clarenceville gym last Thursday night when the Annual Junior-Senior Banquet was presented.

The banquet began at 7:30 p.m. and lasted until 9 p.m. Grace was said before the fine meal of ham, potato salad, baked beans, molded orange and pineapple salad, rolls, milk and coffee. After the meal, a toast by the president of the junior class, Doug Gault, was given in honor of the seniors. The senior president, Bob Garbin, in return, thanked the juniors for the fine banquet.

The master of ceremonies, Tom Hartford, then introduced Betty Gill, class of '51, who played a selection of classical music on the piano. Bob Garbin played his own composition of boogie-woogie.

The banquet ended with the juniors presenting the class flower, the yellow rose, to each senior. S. S.

Pre-Registration Now In Progress

During this past week (May 21-23) pre-registration has been taking place at Clarenceville High School.

The purpose of pre-registration is to benefit the students and help them decide what course of study they will take during the next year. Grades eight through eleven met with their advisors and planned their courses individually.

Five courses of study are offered next year: General, Homemaking, Industrial Arts, College Preparatory and Commercial.

The following subjects are required to graduate from Clarenceville: 3 years of English, 1 year of Science, 1 year of Math, 1 year of United States History, 1/2 year of American History. New subjects offered will be General Subjects, Introductory Art, Shop Sketching, Mechanical Drawing, and Speech.

A blank stating what subjects the students want to take will be sent home for parents' information and signature. J. C.

By MRS. GEORGE WAITE

The mother and daughter banquet put on by the Rebekahs at the I. O. O. F. hall on Friday evening was a huge success. All tickets were sold. Invocation was by Nelly Butten, welcome by Doris Darling. Mrs. Palmer, who was 86, received a corsage, as did the youngest mother, Mrs. Ortwine. The mother with the most daughters present was Mrs. Wendland, with six daughters. The mother who came the longest distance was Mrs. Cravens of Brighton. Brother Odell was served.

There was a pink and blue shower held at the home of Mrs. Jean VanSickle on Tuesday evening honoring her sister-in-law, Mrs. Charlotte Munro.

Mr. Duane Bell and his fiancée, Miss Laree Trickey, accompanied by his mother and father, had dinner at Highland Manor on Sunday in honor of their wedding anniversary.

Mrs. George Waite was a Pontiac visitor on Wednesday, where she, with Mrs. Alma Gibson of Wixom, called on Mrs. Fred Ward, a former resident.

The William MacRoberts entertained guests from Detroit on Sunday at a picnic dinner on the lawn. George McCollum, who underwent surgery in a Detroit hospital on Friday, is getting along fine. Mr. Bill Tiffert is ill at his home on Wixom Road.

The Charles Kerlys entertained their grandchildren over the week end.

Senior Starlight

And in this corner we have "Bug" Gregory, featherweight. Those sound as if it was introduced a fighter, but we're not; indeed, we're introducing a very feminine senior. Lois Gregory, alias "Bug", weighing 84 pounds and 5 feet tall and being adorned with brown hair and eyes.

In spite of her love for cream-puffs and loafing, Lois still doesn't gain any weight. Maybe it's because she also loves swimming and music.

She says her pet peeve is Mary Lou Zettell, but I don't believe her, besides Mary Lou was standing over her with a club. Well, we're leaving her, now as she dreams about her favorite topic — men.

After having featherweight Lois Gregory, we have — no, not a heavyweight, but a track star, Ed Chappel. Ed's favorite hobby, sport, pastime and everything else is "track". Ed has won two medals in his work in this field, one in the "one mile" and one in the "two mile" races. I can't even imagine running two miles, never mind winning a medal. Maybe that's why Ed's pet peeve is girls running in track.

Ed has a love for all food, but especially malts. Perhaps that's why he runs so much. It's to wear off the malts.

His favorite subject is Physics and he intends to go to college. A. A.

Track Team Gains Three Points At Ypsi

The Clarenceville Trojan Track team gained three points in the Class "C" regional track meet held at Ypsilanti on Saturday, May 19. Ed Chappel gained the three points for the Trojans when he placed third in the mile run. Saginaw won the meet, followed by Pontiac.

The following track men participated in the regional track meet: Ed Chappel ran the mile; Ray and Ken Jacobson, Lynn Seaton and Schweizer ran the 880; Kytola ran the 440; Cook and Killen ran the 220; Cook ran the 400; Kroll ran the 800; Cook, Kroll, Albers and Killen ran the 80 relay; Kroll pole vaulted; Garbin, Godette, Davis and Hobbins participated in the shot-put event; Ray Jacobson, Hobbins and Cook took part in the broad jump and Jacobson and Godette in the high jump. Grade 8 — Nancy Moore, Barbara Berberich, Donna Cobb, Harry Laughlin, Sharon Moreland, Karen Russell, Douglas Savala, Robert Snell, Joyce Timberlake, Maureen Dailey, Bob Grose, Joseph Mitchell and Beverly Peddie.

Trojan Reserves Lose Opener

The Clarenceville reserve baseball team was defeated in its first game of the season by Garden City Wednesday, May 16, by a score of five to one. The reserves scored their only run in the second inning. Grimm led off with a walk. Myers, next up, went out short to first and Farrar went to first when he was hit by a pitched ball, advancing Grimm to second. Keller and Grimm both walked, forcing Grimm across the plate with the only run of the game for the Trojans.

The Clarenceville reserves made two hits; one by Myers in the sixth inning and one by Mills in the seventh inning, and one run, while committing five errors. Garden City made five runs, six hits and no errors.

They scored two runs on two hits in the first inning to sew up the game. They made three more runs in the fifth inning to secure the game.

Killen was charged with the loss, allowing five hits.

ALUMNI NEWS

During the last few years the Alumni of C. H. S. has scattered far and wide — Natalie Humecy, a graduate of '49, is now working in Washington and enjoys it very much. I guess her senior trip influenced her to go back.

Many of the Alumni from years back are still here, however. Such as: Dutch Bell, Walter Tambert, Pat Hill, Carl Janzen, Lucille Jargensen, Pat McFarland and Larry Cox. Pat (Hill) Paniel has been married for three years now and expects another baby in July.

Chuck Broombaugh came home from the Marine Corps for a few days to enjoy all his old friends. Most of them are in the service. Marilyn Russell is working at the Mars Furniture Store in Redford. Lillian Paniel is working at the new Ford Plant on Middlebelt and has plans for marriage soon.

Until another week, bye now. J. C.
