### Michigan Mirror

(Continued from Page Two) February put an end to effective wage stabilization."

The new \$5,000,000 state office ine new \$5,000,000 state office building has been officially ap-proved by Washington. Occupants now living on the site — Immedi-lately west of the capitol building— have been notified to vacate and bids for construction will be taken June 30.

June 30.

Poor weather, uncertain labor and new government orders have cherry farmers in a sweat this year. A fall of one-fourth to one-third is expected in volume. Last year the Grand Traverse region produced 90,000,000 pounds of the fruit.

School districts now must levy

School districts now must levy five mills in local taxes to be eli-gible for state benefits. Previously only four mills were required. Not many school districts will suffer un

Two new child guidance clinics will be started in Battle Creek and Petoskey. In the closing hours of the legislative session 2500,000 also was roted to continue clinics in Pontline Port Huron. Pilat. Saginary, Marquette, Munkegon, Kalamaroo and Ypsilant.

Director of publicity for the state

Anyway, a man can still light a cigar without first offering one to a lady. In these days of uncertainties the only things you can count on are your fingers.

Michigan State College poultry-men list shade as an important item in raising healthy pullets. The birds need protection from hot sum mer sun for best development.

### LEGAL NOTICES

High temperature toughens even the tenderest meat. In cooking stews, corned beef, ham shank and other meats requiring moist heat, keep the water just below the boiling point - or a simmering tempe

About 92 per cent of the bituderground mines is mechanically
