Obituary

Bruno J. Slesinski
Mr. Slesinski, 20766 Inkster Road, died from the results of an auto accident June 22.
He was born in Detroit October 5, 1888, and was employed by the Franklin Hills Golf Course.
He leaves his wife, Bertha; one son, Raymond; six daughters, Dorothy, Elaine, Juanita, Mrs. Evelyn Bobrowski, Mrs. Virginia Gramer and Mrs. Mildred Mirabel; three grandchildren and two brothers, Walter and Henry Slesinski of Detroit.
A Rosary Service was recited at the Spencer J. Hensley Funeral Home at 9:00 o'clock Monday evening.
Funeral services were held from St. Agatha's Church, corner Pennington and Beech Roads, at 9:00 Tuesday morning. Interment was at Holy Sepulchre Cemetery.

One out of every three cars on C. S. railroads is a coal car.

ROLLING DOWN THE RIVER

By Bob Kettler

Good thing for us it has been fairly cool this far. During real hot spells, most "beat the heat" advice says to use plenty of salt. . . and it isn't much fun taking salt now that we can't obtain a large T-bone steak to improve the flavor.

However, we like the month of June because it has the freshness of spring along with the first warmth of summer and it's a pretty good time to be around. We suppose, though, there are certain young characters in this land who, as the trip to the altar draws near, feel somewhat like the large fish that adorn the wall of a certain lake resort we know. A small sign beneath the fish reads: "If I had kept my mouth shut, I wouldn't be here."

June also is a fine month for planning vacations, taking trips and obtaining new motor vehicles. Of course, you'll want to obtain the finest motor vehicle possible and for reasons too numerous to mention in such a small space, that happens to be none other than the beautiful 1951 Studebaker V-8 Commandor. The car just has everything. Speed, pick-up, durability, comfort and most amazing economy. Drive it once and you'll be convinced. Come in for a demonstration soon.

Fellow we know, who drives a sparkling new Studebaker Commandor, says he likes to spend most of his Sundays at the lake, just to see if there's anything worth wading for.

You know a flock of these scientific Joes have invented a number of machines, that with a wire attached here and there tells the fellow who reads them, exactly what ails the motor, in or its physical condition. We have a number of them scattered around the place and it is the perfect blending of these machines with the knowledge of our expert mechanics that enables our shop to give you the perfect service you have every right to expect.

And for the June graduate, we'd like to mention that the big shot of today is just yesterday's small shot who kept right on shooting.

Yours,
BOB KETTLER

Townline News
Mrs. Frazer Huels
28450 Haggerty — Farm. 1522-R1

Mr. and Mrs. Ralph Bidwell and son Roger of Loveland were at Dayton, Ohio, on Saturday to attend the wedding of their niece, Miss Betty Lou Bidwell, daughter of Mr. and Mrs. Howard Bidwell of Bay City, to the Gerald Wayne Morris of Vandalia, Ohio.
Mr. and Mrs. Lyman Dush and children were Saturday evening guests of Mr. and Mrs. Roy Schram and daughter of Novi.
Mr. and Mrs. Richard Gault and children of Cleveland, Ohio, former residents of Farmington, called on friends here last week.
Donald M. Kobman, son of Mr. and Mrs. Peter Kobman of Halsted Road, left on June 15 for six weeks at Camp McCoy, Wisconsin, to complete his R. O. T. C. training. Upon completion he will receive his reserve commission as a Second Lieutenant.
Mr. and Mrs. Ray Howard were guests of Mr. and Mrs. James Cox of Ypsilanti on Sunday.
Miss Mary Louise spent part of last week at the A. W. Bidwell home in Northville. On Friday evening her parents, Mr. and Mrs. Frazer Huels, were dinner guests there.
The Flying Needles Club of the Gill Road and Nine Mile community, met with Mrs. Stewart Rutledge on Wednesday.
Mr. and Mrs. Otto Rexin of Drakes Road spent Sunday with their son, George Rexin and family of Silver Wood.
Cub Scout Pack 5 held their regular meeting on Wednesday. The occasion was also the birthday of Neils Mahle, one of the Scouts. Ice cream and cake were served the boys by Den Mother Mrs. Bush. Vladimir Regentik was a member of the graduating class of Milford High School. He once lived at the John Palacky house, where he was better known as "Pee-Wee".

The United States produces about 30 per cent of all the coal mined in the world.

While June is usually "the month of brides", for brown-eyed Joan Ellis it's a month of thinking about her next birthday. Asked her age the other day, Joan announced, "I'll be seven next page." We couldn't figure out the "next page" so she slipped at such adult ignorance and replied, "Next page on the calendar."

Joan is the eldest of a trio of kute-kids at the Russell Ellis residence on List Street. Joan, along with sister Joanne and neighbor Marie Bury and Deanna Eckert, have been attending Vacation Bible School in Farmington. Deanna's first day at "school" was "tremendous success." Her teacher taught her how to "zip my lip" (Orchids to the teacher!).

A century old wagon has suddenly burst into life again down at the end of Scatter Street. It has atop the ravine laden with flowers and vines, and its shiny coat of white paint has suddenly acquired a spatter of multicolored polka dots. It was ready just in time for the "school's out" party that Mrs. Charlene Swarthout of 25901 Scatter staged for her fellow teachers from George Ford Elementary School in Detroit, June 22. Of course, it rained that day but the fun went on. Popularity contests brought gases of laughter for fan-wrapped prizes hid such slight as turtles and jumping frogs. The "teacher who gets along best with her kids" won a pair of boxing gloves, and the one voted "best story-teller" found herself the owner of a lovely little duck, plus eggs. Fried shrimp and steak vied for attention with "George", the 3-foot clown that centered their festive table. Mrs. Margaret McLaughlin carried him home for a prize. Other vacation-borne teachers enjoying the scenic view from the screened summer dining-room were the Misses Janet Renton, Eula Leonard, Zelda Pollinger, Eva Race, Charlotte Camburn, Jean Butler.

Blue Star Mothers
L. MCINTYRE

The Blue Star Mothers held their June business meeting in the Town Hall Thursday, June 21, at 1 p.m. Mrs. John Stirling, Department of Michigan president, and Mrs. Roy Stringer, Department financial secretary, were guests of the Farmington chapter.

Report of the annual State convention was read by the attending delegates.

Mrs. Hugh McIntyre was installed and introduced to the chapter as Department of Michigan treasurer for 1951-52.

Mrs. Nelson Vanderburgh made a very encouraging report on the Blue Star Mothers' rehabilitation home on Indian Lake. Mrs. Vanderburgh is serving as treasurer of the rehabilitation board this year as our Farmington Chapter 49 received the highest credit of any Michigan chapter supporting the Blue Star home in 1950.

The Mothers wish to say "Thank You" to the people of Farmington for their generous help in providing for the care of our veterans of World War II and Korea.

The July luncheon and card party will be held at the home of Mrs. Harrison Fawcett, 35615 Grand River, U. S. F. Smith estate Wednesday, July 11. Luncheon is at 12:30 p.m.

There will be a bake sale at the Detroit Edison office Saturday, June 30, at 10 a.m.

POWER IN THE MAKING

In supplying electricity to some of the largest cities, individual power plants burn coal at the rate of one ton every two minutes. The steam from this fire spins turbines that turn generators in the final electricity-producing step.

Rev. and Mrs. A. Schoen of Dexter, Michigan, were Sunday dinner guests of Miss Elizabeth Schaefer and Mrs. Bertha Westphal.

WEST FARMINGTON
By Mrs. IRVIN KNAPP
TELEPHONE MAYFAIR 6-3833

Mr. and Mrs. Ivan Graham of 3708 15 Mile Road opened her home Saturday evening for the Good Cheer Class meeting of the Walleye Lake Baptist Church. The West Farmington Cemetery Association meeting was held at the home of Ray Howard Thursday, June 21, with nine trustees, a quorum, and all officers present. Officers were elected and business of the year was reported. New officers are Harry McCracken, president; Herman Grimm, secretary; Ray Howard, treasurer; Charles Hollier, sexton.

Mr. and Mrs. Harry McCracken had a pleasant surprise last week when an old school mate of 70 years ago, Ada Ingersoll, called at their home and talked over old times.

Mr. and Mrs. Riley Jackson and son Dale of Ferndale called on Mr. and Mrs. Charles Hollier Sunday. Charles Jones of Windsor spent Sunday with his cousins, Mr. and Mrs. Jack Hetrick.

Lawrence Stover, son of Mr. and Mrs. Dewey Stover, is back from Korea. He attended the Walleye Lake Farm Bureau meeting, where he was presented with an identification bracelet.

Earl Lasich, a Marine, is spending a leave with his parents and friends here.

Several young children from here are attending Vacation Bible School at Walleye Lake Baptist Church.

A new gas producer that will provide fuel for Diesel engines is on the agenda at Bituminous Coal Research, Inc.

Sincerely Yours:

Letters submitted to the Editor for publication in this column are those of the writer and do not necessarily represent the policies of this newspaper.

To the Editor:

With the confusion of commencement now past, some recognition, I believe, is due both the faculty and the student body of the Farmington school system.

The parents of children like mine, who went from kindergarten through high school in the system, I know appreciate the cooperation and interest with which the faculty and students worked to attain their final goals.

My daughter, who was absent only two and a half days during the entire period, always liked her school year. School to her was pleasant — she never once complained about her teachers or the work itself.

The faculty who could foster this attitude, and the student body who cooperated to support it, certainly deserve the parents' thanks.

Sincerely yours
John D. Clapp
28570 Schroeder Road

LEGAL NOTICES

COUNCIL PROCEEDINGS
A Special Meeting of the City Council of the City of Farmington was held June 22, 1951, for the purpose of approving the contract for the repair of the Municipal Building, the purchase of a pump and a review of the City Managers' applications.

Meeting was called to order by Mayor Loomis at 8:30 p.m.

Roll Call: Cavanaugh, Conroy, Loomis, Miller and Nourjian. All present.

Motion made by Conroy and supported by Cavanaugh that the contract made by Delos Hamlin, Acting Manager, with the Fran Construction and Maintenance Corporation for the repair of the Municipal Building be approved. Motion carried, all yeas.

Motion made by Nourjian and supported by Cavanaugh to purchase a 50 H. P. Peerless Pump for the sum of Twenty Five Hundred Seventy - Four Dollars and Fifty Cents (\$2574.50). Motion carried, all yeas.

Motion made by Cavanaugh and supported by Conroy to adjourn. Motion carried, all yeas.

KENNETH R. LOOMIS, Mayor
HARRY W. MOORE, Clerk

Clarenceville News
By Mrs. FRED GROSE, PHONE 2546-R

"Ship" Hartom was home on a few days' leave from the army, visiting his parents, Mr. and Mrs. Elbert Hartom on St. Martin's. He expects to be sent to Texas shortly after his return to his base.

Mrs. George Wilson of Tuck Road will entertain her Circle No. 2 of the woman's organization of the Redeemer's Presbyterian Church of Redford at a poduck picnic on Thursday evening.

Mr. Kenneth Bennett of Tuck Road entered Mt. Carmel Hospital for surgery on Monday.

Miss Elsie Johns returns to her church to begin her 10th year as pastor of the Clarenceville Methodist. Miss Johns, with her assistants, has done wonderful work in this community. When Miss Johns came to this church there was no membership. Today it is 350 with a Sunday school attendance of 250 average.

Mrs. Pauline Keller and Mrs. Minnie Foster of Hopeston, Illinois, are spending their vacation with the Fred Grose family of Tuck Road.

There is a new bed in the nursery at the home of Mr. and Mrs. Peter Michallini on Inkster Road, much to the delight of their two sons. The new tenant arrived at Mt. Carmel Hospital on June 23 and weighed in at seven pounds, five ounces. The family will call him Phillip Leo.

Defense is your job, too!

Just one minute before this picture was taken you would have seen nothing here but waving grass, pine trees, and blue sky. For in only 60 seconds this alert Marine gun crew has landed by helicopter, set up its 75mm howitzer, and is ready to fire!

Precision training and maneuvering like this means that these men stand ready at a moment's notice to protect you and America. That they're doing their job for defense.

But, defense is your job, too! And one of the best ways to do your job is by buying Defense Bonds regularly. For by buying bonds you help build the great American economic strength that backs up our armed forces. And at the same time you put your money in the world's safest place. For Defense Bonds are as safe as America!

The U. S. Defense Bonds you buy give you personal financial independence

Remember that when you're buying Defense Bonds you're building a personal reserve of cash savings. Money that will some day buy you a house or educate your children, or support you when you retire. Remember, too, that if you don't save regularly, you generally don't save at all. So go to your company's pay office — now — and sign up to buy Defense Bonds through the Payroll Savings Plan.

Don't forget that bonds are now a better buy than ever. Because now every Series E Bond you own automatically goes on earning interest every year for 20 years from date of purchase instead of 10 as before! This means that the bond you bought for \$18.75 can return you not \$25 — but as much as \$33.33 — if you hold it the extra ten years! A \$37.50 bond pays \$66.66, and so on. For your security, and your country's, too, buy U. S. Defense Bonds now!

***U. S. Savings Bonds are Defense Bonds Buy them regularly!**
