HOCKING - GILLIES Is here. The reason we know is last week we froze about 3000 packages of fruits and vegetables fer some 600 families in this area. Now 600 families can't be wrong — can they?? They're gonna have fruits and vegetables next winter that taste like they'd jest been picked — and if they git more fish than they wanna eat right now — they can freeze them, too. The fishin' season is the reason we're tellin' you the best way to keep pan fish is to clean 'em \_ wash 'em good — land pack 'em in a quart round container — cover 'em with water, leavin' about ½ inch space so the top won't pop off — and freeze 'em fast. But to git back to these cherries and berries — you'll probably wanna 'am some of 'em. Now we jest want yuh to know we got the iam jars and jelly glasses and all kinds of freezer containers and Certo and Sure-Jel and 10 lbs, of sugar fer 97c. ## jam jars and jelly glasses and all kinds of freezer containers and Certo and Sure-Jel and 10 lbs, of sugar fer 97c. Now if there's anything you wanna know about freezin' anything we can tell you — but when it comes to makin' jam and jelly — yer on yer own. If yer jammin' and jellyin' you gotta do a lot of dish-washin'. Now we got a new kind of soap we really want to have you good people try. It's called Trend. Once you try it the trend will be toward Trend cause it does everything any other soap powder does and you can git 2 boxes fer 35c. How about it? Big hams, little hams, whole hams, half hams, canned hams, we got 'em all. The shank half of a smoked ham is jest 59c, but if yer goin' on a pienic on the 4th and want a whole ham you can git one fer 63c a lb. The little hams are smoked pienics fer jest 49c a lb. Now the canned hams are cooked — boneless — and ready to eat fer 89c a lb. Then we're gonna have some fryin' and stewing chickens ready fer the pan at 69c a lb. If you want yer fried chicken to taste like the down-on-the-farm kind git some of our home rendered lard. You can git a 10 lb bucket fer \$1.90 or a 2 lb bucket fer 45c. Speakin' of buckets, we got a gallon bucket of sweet pickles fer; \$1.99 and that's a lot of pickles, but they'll keep in yer refrigerator. Now we'd like fer you to know all these prices are good thru the 4th of July and if its picnickin' yer doin' don't fergit yer bug bomb. We got some that the bugs don't like at all fer jest 89c each. Big hams, little hams, whole hams, half hams, canned hams,
