

Mt. Olivet Scene Of Marriage Rites

White gladioli banked the altar of Mt. Olivet Methodist Church, Dearborn, June 16, as Elaine Pearl Dahlen, daughter of Mr. and Mrs. Vern Van Fleet of Florida, spoke her marriage vows to Private First Class Harold R. Young.

The bridegroom is the son of Mr. and Mrs. H. W. Young of Middlebelt Road, Farmington.

The bride wore white organza with bands of white satin over white satin. Her fingertip veil fell from a beaded tiara, and she carried a bouquet of white carnations and white roses.

Shirley McGullen, gown in green net and carrying pink carnations, was maid of honor. Shirley Gullius was bridesmaid, and she was gown in pink net and carried green carnations.

Jack McCloud was best man at the 7:30 p.m. wedding, and Jack Gullius and Charles K. Nighthaw were ushers.

Rev. Edgar M. Wahlberg performed the double ring ceremony before a reception at the American Legion Hall on Telegraph Road. Mrs. Van Fleet chose a beige nylon dress with blue accessories for the occasion, and the groom's mother wore blue satin with black velvet accessories. Both mothers wore orchid corsages.

Mrs. Ralph Esper, the bride's aunt, served the guests at the reception. Then the couple, with the bride in a pink suit, left for a trip through northern Michigan.

Pfc. Young is stationed at Camp McCoy, Wisconsin.

Grace is but glory begun, and glory is but grace perfected.

Plans August Wedding

BEVERLY ANN FISHER

Mr. and Mrs. R. M. Fisher of 39085 Astor have announced the engagement of their daughter Beverly Ann to George Robert Weaver, son of Dr. and Mrs. G. F. Weaver of 23903 Farmington Road. An August wedding is planned.

Michigan Mirror

(Continued from Page Two)
is expected to go \$5,000 tons. If this estimate is realized it will be 10,000 tons below 1950's record yield.

As summer begins in earnest, Michigan conservation officials again open their endless campaign to halt forest fires. But on the practical side of it, eight more tractor-tankers are under construction.

A Wayne county farmer sold a load of hay, he represented as weighing 19,920 pounds. The load was 11,543 pounds short, costing a riding academy \$116. Says Miles A. Nelson of the State Agriculture Department, "And \$116 ain't hay."

Commissioner Donald S. Leonard of the Michigan State Police has gone on record as favoring legislation to permit wire-tapping by law enforcement agencies. "Properly used," he said, "it would be a detriment to gamblers and racketeers."

Sample May Affect Soil Test Results

If you want a "true story" from your soil tests, make sure that samples are taken where they will show the correct condition of the field being tested, says James Porter, Michigan State College soil scientist.

Two or three samples from a ten-acre field should be sufficient. Topsoil is the best. The story told by the test will mean more if you avoid lime or marl piles, manure storage piles, and edges of roads which have been gravelled recently. Around gates leading to fields you may not get a true story because of lime or manure that has fallen from loads hauled to the fields. Ashes are high in lime and potash, so stay away from places where brush piles have been burned.

Bride's Sister Is Attendant

Donna Elaine Garchow and Private First Class John Ervin Snyder, USAF, spoke their marriage vows at 7 p.m. Friday, June 22, at St. Paul's Lutheran Church. A reception at the American Legion Hall followed.

The bride is a daughter of Mr. and Mrs. Harry Garchow of Middlebelt Road, and the bridegroom's parents of Mr. and Mrs. Ervin Snyder of Brighton.

White satin, accented by a yoke of illusion lace and a honed collar, with lace ruffles on yoke and train, formed the bride's gown. Her pearl-trimmed satin cap held in place her fingertip veil. She carried a white satin prayer book with white orchids and sweet peas.

The bride's sister Laverne was maid of honor, and Miss Arlene Didams was bridesmaid. They wore gowns of marquisette and bore nosegays of madras daisies. Miss Garchow's gown was pink, and Miss Didams' yellow. Both wore large picture hats.

Lloyd Deurman assisted his nephew as best man, and Wallace Ray Garchow was ring bearer and Sharon Kay Grimm was flower girl. Miss Wynemah Barnes sang "Because" and "The Lord's Prayer" at the doubling ceremony, accompanied by Miss Selma Schulte at the organ. Rev. Walter Rutkowski officiated before an altar decorated with white carnations and gladioli.

Candies and white carnations decorated the American Legion Hall for the reception, at which Herbert Snyder presided at the guest register.

Nursery, Landscape Men To Meet At MSC

A practical course in nursery and landscape management will be offered at Michigan State College July 12 and 13 to present the latest information in the field of ornamental horticulture.

Program supervisors say that the program is designed to interest persons who are actually engaged in cultural operations. Among those who should benefit from the program are owners, supervisors and foremen of nurseries; salesmen; landscape contractors and maintenance men; park employees, gardeners, cemetery superintendents and others.

Following registration, the conference will take up many phases of landscape and nursery management. Members of the staff at Michigan State College and research workers in agricultural industries will present the information.

FIRES LAST YEAR TOOK 257 LIVES, COST \$24,964,345

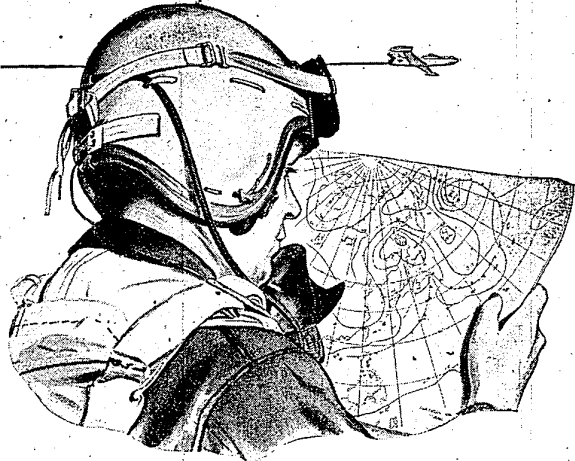

Michigan fires in 1950 took 257 lives and destroyed property valued at \$24,964,345.55, according to the annual state fire loss report compiled by the fire marshal division of the Michigan State Police.

The death toll was 62 higher than in 1949 and the monetary loss increased \$2,056,086.30.

In their annual summaries sent to the state fire marshal, Commissioner Donald S. Leonard, local fire departments reported a total of 51,032 fires, 2,367 under the previous year.

Fatalities included 65 children and one fireman. During 1949 fires took the lives of 61 children and six firemen.

More than 23 million acres of woodland are certified under the American Tree Farm System to grow trees as a farm crop.

He gets a **picture** of the weather by **Long Distance**

Tomorrow's weather is on the wires today for the forces which guard the nation's skies and shores.

Today the largest Long Distance network of its kind brings them detailed "isobar" weather charts around the clock.

These charts are sent by a system known as "facsimile" from the Weather Analysis Center in Washington, D. C. There, an electric eye scans the weather "picture" as it turns on a special drum. The signal waves produced go out over thousands

of miles of wire to military installations throughout the country where the picture is automatically reproduced.

This weather network was designed and completed in less than two years. It's another demonstration of the importance of Long Distance lines to the security of the nation — especially right now, when there may be stormy weather ahead.

To help speed your Long Distance call, please give the operator the out-of-town telephone number. Telephone lines are busy with national defense.

How to make Wise Tracks to a Beauty

How do you buy a new car?

Are you one of those people who buy on love at first sight?

Or do you check cars feature for feature, price for price—then pick the one that gives you the most for your money?

Whichever you are, we'd like to suggest that you come in and see our 1951 Buicks.

It's a sure bet that you'll go for the swift, smart look of a SPECIAL, SUPER or ROADMASTER—you'll fall seriously in love with the pace and

power of its bonnet-filling engine. And it's a cinch you'll go for the room and richness of those Buick interiors—the serene smoothness of Dynaflo Drive* and all-coil springing.

But don't let your emotion be the only judge—be sure to get the practical picture too.

Note that the power that gives you such a big kick here comes from Buick's famed valve-in-head Fireball Engine—which means you get a lot of miles from each gallon of gas you buy.

Note that the silken ease you enjoy with Dynaflo* goes hand in hand with real money savings in maintenance costs.

Above all, note what a Buick's price tag includes—how much more sheer automobile you get in a Buick than the same money would buy elsewhere.

How about making tracks to our showroom right soon—checking thoroughly into the matter—and see if you don't fall in love with a smart-buy Buick?

NO OTHER CAR PROVIDES ALL THIS:

DYNAFLO DRIVE* • FIREBALL ENGINE
4-WHEEL COIL SPRINGING • DUAL VENTILATION
PUSH-BAR FOREFRONT • TORQUE-TUBE DRIVE
WHITE-GLOW INSTRUMENTS • DREAMLINE STYLING
BODY BY FISHER

WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

"Smart Buy's Buick"

*Exemplary, convenient, trim and modern are subject to change without notice.
*Standard on ROADMASTER, optional on other Buick series.

Ten to HENRY J. TAYLOR, ABC Network, every Monday evening.
