## Unwritten Laws of the Road

No. 3: Slow Down When You Reach The Striking Distance Of A Child On A Bicycle.

Old desert-wise prospectors gave rattlesnakes a wide berth. When they came upon one coiled up, they detoured around it, being careful not to get within striking distance.

A child on a bicycle can't commit the physical damage of a rattlesnake but he has the ability to get in front of you suddenly. If you were to run over him your conscience would hurt you the rest of your life.

Professional drivers cut their normal speed in half when they see a child on a bicycle and are, therefore, able to stop short of the youngster's striking distance should he lose his balance or thoughtlessly make an unexpected turn.

## WHO'S GOT IT????

Somebody snuk up on our blind side and swiped our thinkin' cap and we just sit here and stare off into space. What we need about now is a cup of coffee to jar us loose so if it's coffee we're hankerin' after we'll jest use Hills cause it's on a special sale fer 85c a lb. Then this weather sorta fouled us up. When it was so hot we figgered real quick like that we'd run some things to make salad out of — then look what happened. Well — we'll jest mention 'em anyhow. Maybe it'll be hot agin by the time you git this. We got some 2 1/2 size cans of Defiance fruit cocktail fer 39c. Yuh know this fruit cocktail has more fruit than juice in a can. Or do you like yer salad with pineapple? Have you tried S & W pineapple? Now's yer chance. This S & W stuff jest can't be beat and you can git a No. 2 can of either crushed or sliced fer 35c. That takes care of the salad stuff. If we had our thinkin' cap now we'd be able to figger out some way to mention that yuh should git 25 lbs. of sugar this week end fer \$2.39 — but since we aint thinkin' very sharp — there it is. There's also some Surf fer 27c a box. Yuh want some of that — doncha??

Have you got a family? Wouldcha like some family sized cans? Oz Peanut butter is now comin' in a family size jug — 1 lb. and 4 oz. of it — so's you can try it and see if we like it we're lettin' yuh have one of them big size jobs fer 55c. We got some grapefruit juice and some blended juice in the 46 oz. size — that's big-like fer a family — and yuh can git 2 of them fer 49c. Anen if yer family likes their fish without bones yuh wanna git some of them Blue Water Perch fillets fer 35c a lb. and fer 69c a lb. yuh can git a pound of butter to fry 'em in. That'll make 'em gooder — won't it??
