We're warnin' yuh right now that we aint gonna be around here next Monday. It's Labor Day and we aint figgerin' on doin' any laborin' — but maybe Mom is 'cause it's gonna be the last chance yuh have fer an all day picnic before school starts — so maybe we should kindda tell yth we've got a good supply of paper plates and cups yet — but yuh can't eat them so here's a few eatin' things fer yer picnic. Yuh could have a wienie roast with some of our 59c a lb. hot dogs with some Heinz catsup on 'em. Yuh can git the catsup fer 25c a bottle. Fer them that don't like catsup we got some dill pickles that'll jest cost yuh 29c a quart. If yuh really wanna have a fancy picnic why doncha doll-upone of them thar canned hams. They're supposed to be cooked and ready to eat but to make 'em gooder slap some brown sugariand pineapple on 'em and bake 'em awhile longer. These here canned hams are jest 89c a lb. and yuh can git a can of Defiance speed ready to ear on the hance en gooder sap some browns signaring pineapple on 'em and bake 'em awhile longer. These here cained hams are jest 89c a lb. and yuh can git a can of Defiance skeed pineapple fer 29c. If yer gonna make sandwiches don't feigit yer butter fer 69c a lb. Since butter is costin' yuh cheaper weald-cha like to have hamburgers fried in hutter? We've got the cutest little hamburger patties all rolled out fer 69c a lb. They'll jest fit on a bun and all yuh gotta do is throw some salt on 'em and fry 'em. Things are getthi' so simple to cook — and so good—aint they? Speakin' of goodies have yuh tried our froze 'pies lately? They're really outta this world—and the pie 'est is jest like the kind Mother used to try to make. Now the aint nothin' like the smell of a pot of coffee brewin' outside to make yer stomach think 'yer throat is cut — so don't fergit to git a lb. of Hills coffee fer 84c. And what good is the last picnic of the year without ice cold watermelon? Yuh can git a whole one right outta the ice box fer \$1.29. They're the long kind that yuh slice and eat and the corners of it git in yer ears. Don't that sound nice and messy???
