## DOWN THE **RIVER**

By Bob Kettler

This is the time of year a fel-low can most easily satisfy his gambling instincts, such as buy-ing an unplugged watermelon.

And speaking of gambling, now that we've had occasion to eat a meal or two with friends of ours who were married last spring, we've come to the conclusion that it's much better to marry;

However, that isn't selling any mew Studebakers, which just so happens to be the reason this column exists. Trouble is, we get column exists. Trouble is, we get me forget that some of you have we forget that some of you have me forget that some of you have he for the forest in the forest way of the forest period of the forest period was a self-department of the forest period was a forest stamling, and the forest period was a forest stamling comfort, you won't want any thing other than an economical new V-3 engine.

Nothing antique about our shop though. The boys out there have every latest device, designed to make your car function at peak efficiency. Some of those gadg-efficiency from our through the second our mechanics can make se expert a diagnosis as a medical shark can with his x-ray machines. Drive the old bus in and get to back perfectly toned, purfer the second perfectly the second perf

Not much left to hang around for this week, but we've been reading in the papers about the "Communist line". Why not get factual and drop the 'n' from that second word?
