

# ROYAL BAKING POWDER

Is the Housewife's  
Greatest Help.

WHAT so tempting to the  
laggard appetite as a  
light, flaky, fruit short cake or  
a delicate hot biscuit?

Royal makes the perfect  
short cake, biscuit and muffin,  
and improves the flavor and  
healthfulness of all risen flour-  
foods.

It renders the biscuit, hot-  
bread and short cake more di-  
gestible and nutritious, at the  
same time making them more  
attractive and appetizing.

Royal Baking Powder is in-  
dispensable for the preparation  
all the year round of perfect  
foods.

If the newly appointed street  
commissioner will see to it that the  
road in the street in front of the  
Enterprise office disappears imme-  
diately and in a perfectly ladylike  
manner it will help some, and will  
be appreciated.

A meeting of the new township  
officials will probably take place  
some time next week, or at least  
one is scheduled. There is little  
change in the personnel of the  
board, and but little of unusual  
interest is scheduled further than  
organization and allowance of  
minor claims.

Milton Grace of Redford visited  
his brothers, E. S. and James  
Grace, in Farmington Saturday.

An investigation is being made,

mediate attention.
