Sheep Raising Appears Profitable To Experts

Sheep-raising looks like a good bet right now to Michigan State College animal husbandry specialists. The bright outlook is caused by continning near-record high prices in prospect for lambs and wood.

And added to that pleasant pros And added to that pleasant pros-pect for sheep raisers is the fact that the number of sheep is low. Sheep require little labor and are tops for converting pasture and hay into money in the bank, the livestock specialists agree.

Unwritten Laws of the Road

Sponsored by the Farmington Kiwanis Club

in cooperation with the Farmington Enterprise

No. 7: Don't Pass Opposite A Pedestrian,

Going faster than the other fel-low requires one car to get along-side the other to pass. This get-tring-alongside business causes the trouble. It is difficult to pass a single vehicle and take your chances on having it start to move over in front of you—at least you have the left-hand shoulder for dodging area. Professional drivers refuse to pass a while if, at the

TO COMMEMORATE
75TH ANNIVERSARY
AT SALEM CHURCH
The Salem Evangelleal and Reformed Church is to hold its first
anniversary service this Sunday.
The speaker will be John H. Boilens
of Amherst. Ohlo. J. Mr. Boilens
father was minister of the present
church when it was built in 1902.
In the service of the church will also participate in the service this Sunday.
Morning worship is at 196-90 a.m.
with church school at 11:25.
The church saying for the week
is entitled "My Church".
"Deep in my heart I know that
the Church is of God, That in spite
of human Tailties she has brought
blessings untold to jull generations,
including my own, "That she has

blessings untold to all generations, including my own. That she has made my community and my control to the my control t

City To Pick Up Garbage Twice Weekly In October

Harry Moore, city clerk, announce

Harry Moore, city clerk, announced this week that garbage will be pleked up twice a week through the month of October.

The clerk stated that garbage plek-ups will be scheduled on Wednesdays and Saturdays throughout the city during out to get a part of the city during out to provide the city of the part of the company of the city of the part of the city of the part of the present between the city of the garbage plek-up contractors.

The two pick-ups weekly are scheduled during the height of the canning season when loads are especially heavy. Persons are requested to place their garbage in suitable containers at the curb where they can be picked up on the two days.

PIKE DISCOURAGE HATCHERY EFFORTS AT PROPAGATION

AT PROPAGATION

The walleye pike or pike-perch, one of the most cannibalisate of Michigan Gishes, is doing its best to discourage state fish hatchery efforts at artificial bropagation.

With, hatchery pond walleys at small as two and state of the state

the Drayton Hains nattacty with be planted in East Twin lake, Monimorency County. The plant of the planted in East Twin lake, Monimorency County. About 2,000 walleyes are being being the Lake, Barry County. About 2,000 walleyes are being beid at a Drayton pond to study further losses and regeneration of fins.

The East Twin Lake release does not include fin-clippef fish but this does not. In the plant should "take", tish technicians will be able to tell it since there is no natural reproduction in this lake. Purpose in trying to produce wall eyes its to stock-a number of lakes where there is little or no natural regroduction but ideal growing habitat. Objective also is to introduce the species into adapted lakes.

Acquire Hunting Land In Oakland County

In Oakland County

Acquisition of 2,126 primarily southern Michigan acres suitable for public houting is being made by the conservation department at constant of the conservation department at counts of expanding state game, forest and recreation areas, are form a federal excles tax on sporting arms and ammunition and from state hunting license fees.

Game area additions are: 710 acres, Muskegon River, Muskegon County; 544 acres, Rouge River, Kent County; 150 acres, Muskegon River, Maple River, Cilaton and Gratiot Counties; 55 acres Crane Pond, Cass County; 76 acres, Murphy Lake, In Tuscola County; 60 acres, Muskegon County; 61 acres, Muskegon County; 62 acres, Murphy Lake, In Tuscola County; 63 acres, Decord, Tuscola County; 64 acres, Tuscola, Tuscola County; 65 acres, Decord, Tuscola County; 64 acres, Tuscola, Tuscola County; 65 acres, Decord, Tuscola County; 67 acres, Fife Lake state forest, Benrie County.

Hooks "Brownie"

Hooks "Brownie"

The 29-inch pet brown trout at Palms Book state park at Manis tique will entertain the visitors un more.

The big fellow was hooked by an inconsiderate angler fishing in

The big tenow inconsiderate angler fishing in Kitch-tik-h-i spring.
Robert Perry, park manager, says "Brownle" would come out and meet visitors on the raft, folligingly pose for pictures, and occasionally in return would get a few worms or some bread crumbs:

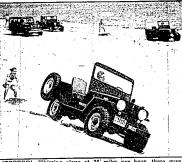

CARD OF THANKS

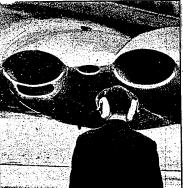

I wish to sincerely thank Rev. Carl Schultz for his conforting words in garound loose in your back yard! Hammond for the few least that we have a since the few least that we have a since the few least that we have a since the few least thanks to our triends and herse, a largentle black mare called neighbors for their kind expressions may be loved thus and taken a little trip. The Schneff fers reported their unknown caller to the police.

In the meantime the Wrights, now!

ance. They contacted Farmington about frantic until City Police. Police directed the

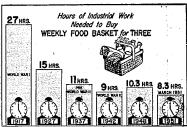

Wrights to the Schaeffer residence where they found "Smoky" It's a good thing "Smoky" didn't go too far, because Mr. and Mrs.

EYES AND EARS—Standing in front of a Brittsh "Comet" air-liner at London Airport is a ground member of a starter unit wearing huge, newly developed earmuffs designed as a protection against supersonic subrations from the jets. His somewhat infor-appearance gives the impression as that of a hen-pecked, but practical, husband accepting (but unhearing) a lecture from a small-mouthed, wide-eyed wife.
