

A new idea for slicing a layer cake or an angel food cake this week from foods and nutrition specialists at Michigan State College. They suggest "slicing" through it with a silk or nylon thread.

HOME MAKING GIRLS TAKE DETROIT VOCATION TOUR

The senior Home Making girls went on a vocation tour Wednesday, October 10, to Detroit. Each girl had a chosen place to go and found out the job she liked best. Winifred Smith and Jean Cashman enjoyed their trip to Patricia Stevens modeling school. They learned what makes a good model and the wonderful advantage she is able to get from it.

Arlene Richmond, Marilyn Winters, Sally Marshall and Mary Connelton went to the recruiting station to find out the qualifications for entering the service.

Girls who were most interested in Home Making visited the decorating departments of the J. F. Hudson Company and other interior decorating stores.

Carolyn Wells, Leah Morin, Shirley Ping, Joan Ball and Mary Connelton went to the Business Institute at the Michigan Theater, also to several of the larger stores, to learn more about business management.

Mrs. Winifred Mummery and Hazel Children went to the traffic court and had the opportunity of listening to a case on drunk driving and many details of how a court room is run.

The girls enjoyed the tour a great deal because it helped enlighten them on just what they should do after graduation. B. G.

"Well Baby Clinic" Holds Meeting Each Month

The "Well Baby Clinic" is now being held at Clarencville once every month. This clinic has received much well-deserved publicity in this section. It is held on the second Thursday of each month at the Home Making House at 11 S. between the hours of 12 and 3.

It is held by the Wayne County Board of Health and is presided over by a registered pediatrician. The purpose of the clinic is to show parents and students alike the proper way to care for a baby. The students volunteered from Home Making classes. That is, four girls each month from the seniors the first month on down with the grades. This is a very important

learn how to treat a baby the right way. Any mother is invited to this clinic. J. F.

Class Writes Letters

Mr. Art Mann's sixth hour civics class is writing letters to service men who have graduated from Clarencville High School or who have attended C. H. S. at any time. Do you know anyone who is in service who has gone to our school at one time or another? If you do, please turn the name in to Mr. Mann. Keep up the good work, freshmen! L. B.

Editorial

School Spirit — Hey — no don't stop reading, this isn't going to be another insulting article on your terrible school spirit. In fact, in our opinion it has improved greatly since last year. We find better crowds at the games. More people interested in what is going on around the school, etc.

But like everything else, we have a few problems. We have problems which blot a record of perfection. One is our hall traffic problem. We can't stop this off and say, "What can you expect, the school's too crowded. Let's not do this, though, let's all work together, waiting slowly, keeping to the right, not pushing, and acting like high school students. It will soon become a better situation for all."

Our second problem and an equally important one, is the assembly attitude. An assembly is important for the education, recreation or improvement of all. This means you. Whether it is an assembly to announce the coming events or a paid assembly, you should give the speaker your full attention. Remember, what may seem to be a whisper to you, when multiplied by the other 200 whisperers, becomes a roar, and in turn is rudeness to the speaker. So let's keep our voices down in assemblies, being courteous; and you may discover that the assemblies are more interesting.

Improving these two problems will make our school a better place for all. A. A.

SENIOR HIGHLIGHTS

He's daring! He's rough! He's dashing! He also plays left half-back, number 64, and his name is Joe Whittle.

He's 17 years old and was born August 10. His hair is brown, eyes are brown and he is 5' 8" tall. He likes any kind of string especially when they sing "Cool, Cool Water."

He says he always thinks of it when he's playing football. Most of the time Joe sleeps, eats, plays football and eats some more. Cherry malts and lemon pie are his favorite food.

Pat Storti is number one on his list when it comes to girls. He didn't believe in going steady before, but he thinks it's a pretty good idea now.

If you ask him if he'd like to go deer hunting or to the J-Hop he'll say, "I'd rather go deer hunting."

Sports rate tops when it comes to Joe's favorite hobbies. He likes football, baseball, track, tennis, volleyball, basketball and mostly any kind of other sports.

His pet peeves are: cats, wind, rain, and people riding in the front seat of Wally's car.

Joe has a winning personality and has lots of friends. He's very goodhearted. Just the other day he told me he let his father use the car at least twice during the week. Kind, isn't he?

He likes bright colors in his favorite color. It brings out his personality, don't you think? (bashful). P. S.

Our senior girl highlight for this week is Nancy Brady, who is 17 years old and is 4' 9" tall and weighs 102 pounds. She has blue eyes and brown hair. Her favorite sport is swimming and she loves to take pictures. Nancy's favorite food is potato chips. She eats them all the time.

Her pet peeve is people calling her "shabby". Shame on you big bullies! Her favorite colors are blue and yellow. Nancy says "Because of You" to her beau, Bob VelleMonte.

Texas ranks first in total railway line mileage, amounting to 15,680 miles, and Illinois second with 11,674 miles.

Blessed is the man who, having nothing to say, abstains from giving wordy evidence of the fact.

Arthur E. Moore, Judge of Probate, Oct. 19, 1951.

TROJAN RESERVE SQUAD NIPPED BY GARDEN CITY

The Clarencville Reserves suffered their second straight loss of the season by the score of 13-0.

Neither team scored the first half although the Trojans drove to Garden City's 5 yard line but lost the ball on downs.

Clarencville took the kick to open the second half with Pat Killeen taking the ball on the 30 yard line and drove to their 40 yard line.

City taking to the air they drove down the field, then threw a long pass with Tom Gadsden catching and running 20 yards for a touchdown. The try for the extra point was good and Garden City led 6-0.

Then in the last quarter Galloway blocked a punt on Garden City's 25 yard line, and the reserves were forced to kick on the fourth down. With Garden City finding out our weak spot they marched down the field for their second touchdown and they made the extra point with a cross buck to put the score 13-0 in favor of Garden City. The game ended with neither team scoring again. The reserves play Bentley Reserves at Bentley Thursday, October 18, at 3:30 p.m. D. W.

Junior Plan J-Hop, Have Ring Sizes Taken

I guess you're all wondering why the seniors are walking around the school with a big grin on their faces. Why? Because the J-Hop is coming up and they'll have that wonderful orchestra of the Veterans Club. The tickets are now available. The tickets are now available.

Another big event took place on Monday, October 15, at 9 a.m. The seniors had their sizes taken for their rings. L. M.

Journalism Class Plans Halloween Dance

In the month of October every one seems to be getting into the spirit of Halloween. As the days keep going by and the 30th keeps getting nearer, everyone thinks of Halloween parties and dances. Therefore, the Journalism class is having a dance, called the Witches Wiggle, in the high school gym on Wednesday, October 17, from 8 to 11 p.m.

There's going to be plenty of older, donuts and ice cream for refreshments. The decorations will be worked into a Halloween theme. Along with the other dances there will be a bromo; dance. Grades 7 through 12 are invited.

You are asked to wear costumes or blue jeans. So, fellows and gals, grab your sweat suit and come to the Witches Wiggle and join in all the fun. P. F.

"Finders Creepers" Selected As Senior Play

"Finders Creepers" is the name of the play the seniors will present, according to Mrs. Mary Lavers, director. The comedy mystery is a play in three acts. Helen Barnes is the student director.

The cast is made up of seven girls and eight boys. They are: Sally Schneider, Russell Robbette, Evelyn Goetz, Wally Chisholm, Sally Marshall, Gloria Moore, Douglas Gault, Ray Wellman, Gary Renboom, Arlene Richmond, Willard Stamper, Roy Grace, Marlene Wanch, Hazel Chisholm and Al Cook. They expect the play will be given before Thanksgiving. Y. J.

Cancel Soccer

Much to the disappointment of a few soccer-minded G. A. A. members, soccer has cancelled Tuesday, October 9. It seems the minimum number necessary is four teams and there were only two teams on the soccer field Tuesday night. G. A. A. is a special privilege, girls. Let's not spoil it. B. G.

EVER THRILL to the sight of a sabre-winged jet fighter—out-racing the sound of its own engines as it knives through the summer sky?

Whenever you see this exciting—and reassuring—spectacle, remember the crew chief you see here, crouched in the engine compartment of an F-84. Remember that it's men like him, with their patient tuning and tooling, their superb intelligence and skill, their devotion to your defense, who keep these jets in the air. Hornet-ready at an instant's notice to protect your family and you.

Remember also that defense is your job, too. And one of the most important ways you can do that job best is to buy U. S. Defense Bonds. For your bonds help keep America strong economically, just as the Air Force helps keep her strong militarily. And it's this combined strength that protects your town, your home, your right to work and prosper in peace. For your security, and your country's, too, buy Defense Bonds regularly — through the Payroll Savings Plan where you work or the Bond-A-Month Plan where you bank.

The U. S. Defense Bonds you buy give you personal financial independence

Remember that when you're buying Defense Bonds you're building a personal reserve of cash savings. Money that will some day buy you a house or educate your children, or support you when you retire. Remember, too, that if you don't save regularly, you generally don't have it all. So go to your company's pay office — now — and sign up to buy Defense Bonds through the Payroll Savings Plan.

Don't forget that bonds are now a better buy than ever. Because now every Series E Bond you own automatically goes on earning interest every year for 20 years from date of purchase instead of 10. This means that the bond you bought for \$18.75 can return you not just \$26 — but as much as \$33.31! A \$37.50 bond pays \$66.60. And so on. For your security, and your country's, too, buy U. S. Defense Bonds now!

*U. S. SAVINGS BONDS ARE DEFENSE BONDS BUY THEM REGULARLY!
