Sez I — to the boss — let's have a special on Bisquick and then we can tie in stewing chickens and chipped beef gravy — now what else could we use and he sez to me — sez he — knives and forks! Anyhow, near as I can figger out we're gonna sell the large boxes of Bisquick fer 45c and to make some good chicken gravy to'go on them biscuits we got some ready-ferthe-pot frozen chickens that we put in the freezer ourselves fer 49c a lb. If you have a stewin' chicken yuth can use this Bisquick fer dumplin's, too. It sez so in fine print right on the side of the box. About this chipped beef now — it's the bulk kind that has lots move flavor and is much cheaper than the kind you buy in a glass. Yuh can git a whole quarter of a lb. of it fer 49c. Guess that takes care of that only you'll have to furnish yer own eatin' irons — and while yer gettin' out the knives and forks grab off a spoon fer yer coffee cause you'll wanna git a pound of [Hills Brothers coffee fer 83c. Now if yuh want these biscuits fer breakfast you'll want some fruit juice, too, so don't fergit to git a 46 oz. can of Treesweet California orange juice fer 28c. You know there's an awful difference between Florida and California orange yuice — but don't try to tell that to the people in Florida orange juice — but don't try to tell that to the people in Florida—will yuh?

There's a Federal tax increase of 10c a carton on cigarettes startin' November 1st. Bein' as how everybody is gripin' about taxes here's yer chance to git a head a little bit. Gitcher cigarettes this week fer \$1.79 a carton. Speakin' about smokin' we got some shank ends of smoked hams fer 58c a lb. Now that's something to cheer about. Have yuh tried this new detergent called "Cheer"? Why doncha do it this week when yuh can git a couple boxes fer 57c. You try it and let us know if it's really something we should replace her about. we should rah-rah-rah about — will yuh?
