(Continued from Page One)
Stanley brought the ball to the 17 as the third quarter ended. Following a two yard gain, Hupert plov over from the 15 yard line. The score stood at 13-7 as the try for the extra point went wide.

The final TD came on a sequence of plays started by a 22 yard run by Pink to Bentley's 36. Farmington made a first down to the 14. Farmington's sustained drive was temporarily halted on a five yard loss but Hupert erased the deficiency by driving 17 yards to Bentley's second line. The Falcons were penalized five yards on the next play. Byrne took the ball on an end run to score Farmington's third touchdown.

IT'S GETTING CLOSER:-

We aint talkin' about winter cause we know winter fell and it's cold as usual - we're talkin' Thanksgiving - and just take a gander at yer calendar. Almost scares yuh - don't it? Some folks that want a good fresh dressed turkey have their orders in already - and if yuh want a certain size we'd kinnda like to have yer order too so we know how many we should git from the man who 'always furnishes us turkeys. Same thing goes for other fowl too. Now so much fer that - let's git down to the pre-holiday eatin' - like havin' fresh ground beef fer 65c a lb. - or maybe we could play like we're havin' bowl and have some of those city chicken legs. Yuh know they're made of ground veal and pork and they're all meat fer 89c a lb. If yuh don't wanna cook 'em like a chicken leg pull the stick out and make a patty outta 'em. They're mighty tasty. Course, if yuh wanna go all out why doncha git a canned ham. We got some Davies hams from 10 lbs. up at 83c a lb. If yer feelin' real fancy yuh could cook it in some pineapple juice - and why not when yuh can git a 46 oz. can of it fer 25c? By buyin' a big can like that yuh'd have some left over fer drinkin'. If yer a breakfast eater on a full scale with juice and cereal and stuff like that there, don't forget to try the new Corn Pops. There's a deal on 'em where yuh can git 2 boxes fer 19c. Yuh should oughtta try 'em fer that price - shouldn'tcha?

The boss man stuck his nose around the corner of the little house here and sez he wants yuh all to know we have some chocolate covered cherries fer 53c a lb. and Keyko oleomargarine at 26c a lb. Now aint that a conglomeration? He forgot to tell yuh that Pillsbury is out with a new golden cake mix that yuh can make orange or lemon or banana cake with. The recipes on the side of the box and them that's tried it like it. Would yuh be interested in 3 boxes for a dollar? Just think of all the different cakes yuh could have and if yer family didn't like one of 'em we aint fussy around here - if yuh know what we mean???
