For the third week of their son of the duke, having mysteri openly accuses Elsa, Gottfried's sister, of having murdered her brother in order to win the crown for herself. Elsa is summoned to auswer the charge; the King de-crees that her cause shall be sub mitted to ordeal of battle between Telranund and any champion Elsa may choose to defend her. She describes a Knight whom she has seen in a dream and conjures him to fight for her. After repeated appeals a skiff drawn by a swan is seen approaching the shore; in it is Lohengrin, Elsa's chosen Knight, who accepts Telranund's challenge Before they fight Lohengrin be troths himself to Elsa, first claim ing her solemn promise never to question him as to his name o race or whence he came to her

Lohengrin is victorious, but Telranund and his wife, Ortrud, are determined to compass the ruin of Elsa and Lohengrin and be reinstated in their former rank. Ortrud makes a piteous appeal to Elsa and is sheltered at the palace for the night, when she contrives handled in a safe and conservative man to instituate the first germ of ner. suspicion in Elsa's mind. On the bridal day, Telranund interpose as the procession is proceeding toward the church and accuses Lohengrin of sorcery, alleging the strange manner of his coming amongst them and the mystery in amongs them and the injecty in which his name and rank are shrouded in support of his declaration. The faith of the King and Kuights, however, remains un shaken; doubts overwhelm, Elsa but she casts them aside; the train enters the church and they are
