

SEND YOUR CHILD TO CAMP

HERE'S THE GENERAL IDEA

Jamie is giving away 3 2-wk. camp sessions to 3 children. All you parents have to do is to stop by the station and register your child or children. Each child will be given a number. Each time you go by the station, you can enter your child's number. The more times the children's numbers are entered, the more chance there is to win.

THE CAMPS ARE SPONSORED BY THE LIVONIA FAMILY YMCA

FUN CAMP: boys & girls, ages 5-8 around the Y

DAY CAMP: boys & girls, ages 8-12, at Camp Ohiyasa

RESIDENT CAMP: boys & girls, ages 8-17, at Camp Nissokone in Oscoda, Mich.

DATES for FUN CAMP and DAY CAMP: July 10-20, July 24-Aug. 3, Aug. 7-17

DATES for RESIDENT CAMP: July 10-22, July 24-Aug. 5, Aug. 7-19

Registrations & Entries will be taken thru June 30. Drawings will be held July 1st.

One child per camp will win. They will have their choice of dates to attend camp, i.e., one child will go to Fun Camp, one to Day Camp and one to Resident Camp.

First Trip In A Recreational Vehicle? Here's A Checklist Before Leaving

1) Stand back and take a long look at the apparent balance of your rig.

2) Adjust and tighten mirror.

3) Adjust headlights with full load.

4) Check tires for proper full-load inflation.

5) Test interior appliances to make sure they're all operating properly.

6) Make sure LP tanks are full, and test fittings for leaks.

7) Shut gas off at the tank for safety while traveling.

8) Make sure all lights are working.

9) Check trailer hitch and chain.

10) Check trailer brakes before entering highway.

11) Be sure to take essential equipment. (Like sewer hoses, ground-leveling brackets, gloves, deodorizer chemicals, wrench for the LP tank, power cord, pail, flush hoses and holding tanks.

12) Are LP gas cylinders full?

13) If you didn't flush water tank after last time, do it now

and then refill with fresh clean hose.

14) Close vents and windows to unit, likewise, secure room dividers, drawers and cabinets. Everything off the sink, table and counter?

15) On a pickup camper, check the tie-downs, also look them over on gas stops and pottie-breaks during travel.

16) If you're hauling a trailer, tighten the ball hitch.

UPON RETURNING HOME:

1) Drain the water tank, flush and get rid of accumulated dirt.

2) Drain and flush the holding tank and drain again. Also you should wash off the hoses and brackets.

3) Clean the interior, scrub floor and wipe dirt off upholstery.

4) Make sure vents and doors are closed but leave a window open to keep the vehicle fresh smelling.

5) Check for leftover food (and fish bait if you're a fisherman).

6) Turn off gas cylinders at the tanks.
