YOUNGSTERS in the Sunday School classes at St. Paul Presbyterian Church in Livonia decided to turn their talents to raising funds to purchase a wheelchair for children and present it to St. Mary Hospital. They succeeded, and Business Administrator Rita Radziewski accepts the gift from Vicki Tomney holding sister, Lisa, and Heather Bandelow. Looking on are (from left): Joycelyn Koenig, Betty Zimmerman and Rev. Arnold Dalzell. (Observer photo by Bob Woodring)

Will Attend  
Boys State**

Clarenceville High School's representatives to Wolverine Boys State June 14-22 have been selected. Attending the session at Michigan State University will be Gordon Tucker and Paul Simons. Alternate delegate is Tony Bangs.

Wolverine Boys State provides an opportunity for outstanding Michigan high school students to become directly involved in the process of government from the local through the state level. All participants are involved in mock campaign and election procedures for city, county and state offices. All expenses for the Boys State experience will be paid by the Livonia Rotary and Livonia Optimists Clubs.

**More Yellow  
Paint On Roads**

Delayed by a slow spring, Department of State Highways crews finally have hit the road with the biggest paint show in Michigan.

Their mission - to repaint all worn and obliterated pavement lane markings, including freeway edge-lines, on the 9,252-mile state highway system.

Seven "hot" and five "cold" marking rigs will spray 450,000 gallons of paint - will allow passing when there white, black and yellow - is no on-coming traffic, but mixed with nearly 1.5 million pounds of microscopic

reflective glass beads. At a cost of \$1.5 million, the mixture could make a continuous line 23,000 miles long.  
HOT-PAINT rigs, used primarily on heavily traveled freeways, lay down heated paint that dries within two minutes, minimizing traffic disruption.  
This year, traditional white center-line stripes on two-lane highways will give way to dashed yellow. Dashed yellow will allow passing when there white, black and yellow - is no on-coming traffic, but mixed with nearly 1.5 million pounds of microscopic "No Passing."

**One by One**  
From the hoop skirt to the mini. From "scooby-do" to "groovy." From the Charleston to hard rock.  
One by one, old ways give way to the new, and the continuing argument is waged as to which are better.  
Funeral service, too, must constantly change - remaining flexible enough to meet the highly varied wishes of all people, whether "traditional" or "mod" or somewhere in between.  
We recognize and respect the individuality of all who call us.
