

Letters To The Editor

EDITOR: I wish to personally thank all of those persons who voted "NO" on the recent Farmington Schools' millage election. Thanks to your concern, all seniors next year can look forward to probably being able to take a maximum of four classes as well as a general shortage of supplies, larger classes, loss of new, relevant classes, and no sports, music, or extracurricular activities.

friends in the marching band, and the "uniform" that the parents had provided, consisted of a green wind-breaker, black pants, and a white shirt. Some uniform for a band that competes in state competition, and plays at all home games, and plays in parades! Did you ever stop to think of the student whose only hope for college is on a sports or music scholarship? What about the students planning on a medical or science career? An advanced science course could come in handy for them.

Homeowners Praise Help

EDITOR: I would like to write a few words in praise of our volunteer fire department. Last Friday night we had a chimney fire (high flames shooting out of the chimney) so I called the fire department just to see if they would advise us what to do. They said they would be right over. The siren was whirling as I hung up and they were here in minutes. All were concerned. They even put an exhaust fan at our basement window, and worked on our chimney from the top and bottom. They suggested how we might clean out the carbon build-up which my husband did the next day. They're an excellent, dedicated group and our community should be very proud of them.

Farmington Man Gets Plaque

Lawrence Miller of 22835 Maple, Farmington, received an "outstanding service award" plaque recently honoring him and nine other employees of Ford Motor Co. downriver plants for community service.

All recipients were nominated for awards by fellow employees, family members and others familiar with their community activities during 1971.

REMEMBER THE LITTLE GIRL APRIL IN THE MILLAGE BROCHURE?

She along with 16,803 other Farmington Students will receive a shortened instructional day this September, unless you act.

Contact your Local School Board members! Tell them:

- You want 72-73 avenue projection based on a realistic per pupil state aid formula.
- You want class scheduling postponed until August, in hopes of knowing the entire amount of our state funding.
- You want some long overdue reductions in secondary administrative services.
- You want the one half operating mill which has been voted by the community, but to date not used, used to provide a full school day for Farmington Children.

FARMINGTON KIDS NEED A FULL DAY OF SCHOOL, AND A FULL SCHOOL DAY.
