BEAUTIFUL PRIVACY!**

The LOUVERED FENCE

takes more time to build but the results are interesting. Use 1"x6" boards. The angle is determined by placing each edge of the board flush with the rail. Cut a 2"x2" block for uniform spacing of the boards as illustrated. This style of fence may be built with one section on top of the other; see illustration.

Do it Yourself and SAVE!

Build a louvered fence
6 ft. high in fence grade
Redwood.

COLONIAL SAMPLER
Early American

**If you've got Early American,
we've got the ceiling to match.
Armstrong Chandelier Ceilings**

Look at all the time and money you've spent decorating the rooms of your home. Everything matches... except the ceiling. But in a few hours it can. You can complete the picture with an Armstrong Chandelier Ceiling you install yourself. It's so easy! And there's not a bevel in sight. The rich texture flows so smoothly from wall to wall, you'll find it hard to believe you're looking at a life ceiling.
