When shown positive and reliable proof that a certain remedy had cured numerous cases of female ills, wouldn't any sensible woman conclude that the same remedy would also benefit her if suffering with the same trouble?

Here are two letters which prove the efficiency of Lydia E. Pinkham's Vegetable Compound.

E. Pinkham's Vegetable Compound.

Red Banks, Miss. —"Words are inndequate to express what Lydia E. Pinkham's Vegetable Compound has done for me. I suffered from a female disease and weakness which the doctors said was caused by a fibroid tumer, and I commenced to think there was no help for me. Lydia E. Pinkham's Vegetable Compound made me a well woman after all other means had failed. My friends are all asking what has belied me so much, and I gladly recommend Lydia E. Pinkham's Vegetable Compound."—Mrs. Willie Edwards.

Hampstead, Maryland,—"Before taking Lydia E. Plukham's Vegetable Compound I was weak and nerreus, and could not be on my foet half a day without antiering. The doctor's tadd me I never would be well without an operation, but Lydia E. Plukham's Vegetable Compound has done more for me than all the doctors, and I hope this valuable medicine may come into the bands of many more suffering women."—Mrs. Joseph H. Dandy.

We will pay a handsome reward to any person who will prove to us that these letters are not genuine and truthful—or that either of these women were paid in any way for their testimonials, or that the letters are published without their permission, or that the original letter from each did not come to us entirely unsolicited.

What more proof can any one ask?

For 30 years Lydla E. Prinkham's Vegetable Compound his been the standard remedy for female, ills. No sick woman does justice to Made exclusively from roots and herbs, and has thousands of cures to its credit.

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health free of charge. Address Mrs. Pinkham, Lyna, Mass.
