

LORAIN CHRISTOPHER and Bob Nieman (center), both of Westland, were king and queen for the day when the children at the Easter Seal Society camp in Inkster held open house for their parents and friends last week. They're sharing cupcakes with Rickey Ramey of Plymouth. (Observer photo by Bob Woodring)

Doctorates Awarded To 6 In Area

Six area residents received Ed. D. degrees at Wayne State University's commencement exercises recently at Cobo Hall. They are: James L. Casebere, 16081 Alpine, Livonia; Mario Di Paolo, 1137 Spicer Drive, Plymouth; Robert L. Lake, 7358 Central, Westland; James L. Leary, 23357 Gull Road, Farmington; Joseph Nieta, 32285 Muir Cove Drive, Farmington; and A. Louise Seffens, 34610 W. Nine Mile Rd., Farmington. They were six of 42 persons awarded educational doctorates by Wayne's College of Education and were among 4,788 students receiving degrees. This number makes the June 1972 class the largest spring commencement in Wayne's history.

LLOYD HEUSSNER Oldsmobile agency held a ribbon-cutting for its new facility at 33850 Plymouth Rd., Livonia. That's owner Heussner at right with Livonia Mayor Edward McNamara (left) and Northville Township Supervisor Gunnar Stromberg.

Pursell Fights Proposed Law School Funding

Sen. Carl Pursell (R-Plymouth) said he would ask Gov. William Milliken to veto a section of the higher education bill that provides for three new Michigan law schools. The bill, now under consideration in the House, provides \$341,000 to start law schools at Michigan State University, Western Michigan University and Grand Valley State College. "The cost of providing buildings-and especially starting a new law library-for three schools is prohibitive," Pursell said. A member of the Senate Appropriations Committee, Pursell said "I cannot see the wisdom of going into such an expensive venture without adequate study into all aspects of the program."

Dems' League Endorses 4

WESTLAND There were a few surprises in the political endorsements made last week by the Westland League of Democratic Voters for four primary election candidates seeking congressional, state and county positions. One of the surprises was that the members approved the recommendations of the executive board with relatively little controversy.

THE ENDORSEMENTS were the first in more than two years when the league changed its rules to virtually prohibit primary election endorsements.

After two years, the league agreed two months ago to allow easy procedures for primary election selections. In the 15th congressional district, Congressman William Ford was unanimously backed over Democratic challenger Frank Lubinski, Dearborn Heights city councilman.

In the 36th State House District, which covers the north half of Westland, Ben DeHart was the unanimous pick of the board and membership over three challengers in the primary. The selection came as no surprise since DeHart served as Democratic League chairman for the past two years.

DeHart was picked over City Council President John Markes, County Commissioner James McCartney, both of Westland, and Robert Wright, of Livonia.

IN THE 37th state house race, former State Rep. Vincent Pettipren was endorsed 93 by the executive board and unanimously by the league's membership over two challengers.

The district, which covers the south half of Westland, also has State Rep. Thomas Brown and Westland City Assessor opposing Pettipren, who represented the district for six years.

Westland Police Sgt. Tom Taylor was endorsed for the 20th county commission district over Westland's Kenneth Murray, a league officer, and Garden City's Gene Recchia and Tim Murphy.

In the only split vote among the members, Taylor was supported by a 24-7 vote. Murray was backed by the executive board the week before on an 8-4 vote. Russell Tuttle, league chairman, said that the political organization will buy newspaper ads and print precinct poll cards for the candidates, earning its endorsements.

In other action at the membership meeting, the league unanimously approved a resolution opposing cross-district school busing and urging the platform committee for the National Democratic Convention to adopt a similar position.

Good Ol' Days

Old-fashioned corn husking bees used to be happy combinations of business and pleasure. According to one custom, finding a red ear of corn allowed a man to claim a kiss from the girl of his choice.

10 Mile Will Be Resurfaced

A two mile section of 10 Mile Rd. between Novi and Haggerty roads will be resurfaced this summer by Holloway Construction Co. Holloway submitted the low bid of \$28,142 for the project, which will be financed by the Oakland County Road Commission.

Plastered Pipe

The first commercially manufactured corncob pipe was made in 1869 by Henry Tibbe of Washington, Mo. To fill the pipe's uneven surfaces, Tibbe used plaster of Paris.

NELSON SCHRADER

What's the difference between a rug and a carpet? Well, technically speaking, a carpet is made in continuous rolls of varying widths. Broadloom carpets are the ones that are made to cover a whole room without a seam. However, if you were to cut a smaller piece from a broadloom strip to lay in the center of your room, it would become a rug! A room-sized rug is big enough to cover almost all of your room, except for a small area around the outside edge. An area rug covers a smaller section of the room.

There is a difference between purchasing furniture by yourself and receiving assistance from knowledgeable people. See the difference by shopping at SCHRADER'S HOME FURNISHINGS, INC., 111 N. Center St., Northville, 349-1838 and 825 Penman, Plymouth, 453-8220. We have a decorating service available to help you avoid mistakes and we will honor your Master Charge.
