**Ex-Racer Is Media Buyer**  
Diana E. Carter of Farmington, formerly Canada's top female race driver, was appointed senior media buyer for Yaffe Stone August Inc.  
Miss Carter is responsible for media contacts involving the company's accounts. She previously was media director for Creative House Advertising and public relations director for American Raceways.  
From 1961-67 Miss Carter was Canada's top female driver winning the Cross-Canada Shell Rally, women's division, three times. She also won many sports car, sedan and road racing contests.

**Record Month 12,000 Engines**  
ALL RECORDS were broken for the General Motors Diesel Plant in Redford Township when the 12,000th engine came off the line during May. Diesel operations manager Edward Colby (left) and J. Donald Clemence, director of material and production control, were on hand when the record-breaking engine was completed.

**Diesel Hits A Record**  
Detroit Diesel Allison Division of General Motors, located in Redford, reports shipments of diesel engines reached all-time record levels in May.  
According to Diesel operations Manager Edward B. Colby, 12,083 engines were shipped, a 43 per cent improvement compared to the same month one year ago.  
Colby also reports that service parts shipments reached a new high of 5.9 million pounds during May. It was the fifth consecutive month this year shipments exceeded five million pounds and a 26 per cent increase compared to May 1971.  
THE OUTLOOK is extremely bright in Colby's opinion. "We have improved manufacturing capability and the sales force has given us a healthy order schedule," he explains. "Our increased ability to meet customer demand should make 1972 our best year ever in the diesel business."  
Colby also pointed to plans for introducing a more powerful 92 series of engines in 1974 as a step to further sharpen Detroit Diesel's competitive position.  
"We are committed to the diesel for many years to come," states Colby. "The diesel is a relatively clean engine and we have yet to see a commercially feasible alternative that can match the diesel's efficiency."

**NSH Youth Unit Moved**  
The transfer of the young adult unit from Northville State Hospital to the Detroit Psychiatric Institute is part of a plan to improve services in Detroit and Wayne County.  
Dr. Gordon Yudashkin, director of the Dept. of Mental Health, recently announced several changes designed to provide better services throughout the county.  
Under the plan, the Detroit Psychiatric Institute will be moved from city to state administration. It will be expanded from 60 to 205 adult beds and from 12 to 50 children's beds.  
Northville State Hospital, with 650 beds, will continue to serve northwest Wayne County and western Detroit.  
"The full development of the basic services will make possible the achievement of two fundamental objectives: provide adequate treatment in the community without necessitating hospitalization and provide intensive inpatient treatment and thus minimize the length of hospitalization," Yudashkin said.  
Mrs. Masline Horton, occupational therapy instructor for Schoolcraft College, was one of 36 educators to participate in the national conference on community health and occupational therapy at the University of Alabama.  
Since most occupational therapy departments in the country deal primarily with hospitalized patients, this conference concentrated on services which can be provided for patients elsewhere.

**New Judo School Goes Up**  
The Karate/Judo Schools of America have broken ground for a new, third school at 29155 Seven Mile Road, just east of Middle Belt in Livonia.  
The \$1.1 million dollar facility covers over 10,000 square feet and will be the largest and most sophisticated school of its kind in the United States.  
Facilities include whirlpool, Finnish sauna, training area, dressing lounge, individual lockers and anti-bacterial lighting.  
Enrollments at reduced rates are being taken in the school's mobile unit on the construction site. Use of the facilities at the Royal Oak School, 4434 N. Woodward, just south of 14 Mile Rd and the Warren School at 25311 Van Dyke at 10 1/2 Mile Rd. Center Line will be available to new members until the Livonia school is completed.  
Beginners classes begin daily six days a week from 10 a.m. to 10 p.m. for men of all ages.
