

# Warholak On The 'Mack' Move

Redford's Warholak tires took a commanding lead in Connie Mack American League action with an 11-7 victory over Holman Pontiac and a 2-0 triumph over Northville Reef.

Bob Atkin's Panthers stand 6-1 with National Pride and Fancher's running close behind.

Gary Fuls and Steve Friedman worked for Warholak in the Holman contest with Fuls getting the win. Wayne Williams and Jeff Thompson worked for the Plymouth team with starter Williams taking the loss.

Warholak opened with two runs in the first. Mark Younchuck tripled and scored on a wild pitch. Kurt Fritz walked, moved to second on a ground out and scampered home on a Mark Durance hit.

Redford Union made it 8-0 in the third with six runs on only three hits. Younchuck was hit by a pitch, Fritz was safe on an error and Durance walked to fill the sacks. Glenn Richmond delivered a two-run single and Mike Kall singled in Durance. R. J. LeRoux walked, stole second and scored on a single by Mike Johnston with Kall scoring on a wild pitch.

Holman came up with two in the fourth when Williams was safe on an error. John Chiatlas walked, and Tim Rossi bounced a three-bagger to right.

Redford concluded its scoring assault in the bottom of the fourth with three runs on three hits. Fritz and Friedman singled and

Durance forced Friedman at second. Williams then balked in Fritz and Richmond was safe on an error with Durance scoring and by this time Holman Coach Mike Waller had to be wondering if there was no end.

RICHMOND WAS OUT stealing but Kall walked and Fuls singled to keep things alive. Lupe Bravo was safe on an error and the 11th run trotted across home.

The Plymouth junior squad just didn't pack up its gear and go home. Five runs came in the top of the fifth to narrow the gap to four runs.

Gary Close singled and Thompson walked. A double play appeared to all but halt the rally but Holman was far from down.

JOHN MAJOR walked and Mark Stephen struck out for the final out. But the third strike was also a wild pitch and Stephens was safe at first. Williams followed with a single, Chiatlas, White and Rossi drew walks and Close singled.

Coach Atkins went to ace hurler Tom Nippa in the Northville Reef contest with Warholak squeaking out a 2-0 victory. It was the third win for Nippa with a three-hitter to his credit.

The Redford hurler struck out six and walked five. Jeff Moon worked for Northville, but gave up four hits, struck out three and walked two in defeat.

The game only took an hour

and 10 minutes to play with Warholak scoring both runs in the second.

With one out, Richmond and

### By W.W. EDGAR

The City of Livonia, pioneer in many of the junior bowling activities now being held across the nation, has become the center of youth bowling activities for the summer months.

More than 1,100 young bowlers are entered in the recreation loops at Cloverlanes and this is far above the average in houses across the state.

Showing the way is the City of Livonia Parks and Recreation League with 600 enrolled. Next is the Parks and Recreation group from Redford Township, followed by a branch of the City of Detroit Parks and Recreation circuit and the entire CYO group.

THIS IS the first time that the various recreation departments have concentrated on one establishment. It is purely an experiment, but the action and competition has been keen.

For the past three weeks the Livonia group has been bowling for averages and will begin this week to compete for points. With 600 youngsters in the race it should be an interesting battle.

### Tight Battle At Mt. Clemens

Erv Baumgartner is coming on strong in his bid for the superstock season championship at the Mt. Clemens Race Track.

The veteran pilot has finished consistently in the top echelon each season but he has never taken a points championship.

This could be his year for, at the moment, he is the hottest driver at the track. He gave an impressive display in the 50-lap Firecracker Sweepstakes when he started on the pole and led all the way to take a close decision over Ray Nece.

Baumgartner started slowly last year but was the most consistent pilot at the track through the last two months of the campaign with a strong second behind Sommers in the final standings.

Promoter Pete Magrie presents stock car racing each Thursday and Saturday night at the Mt. Clemens track, which is located on the North River Road near the Mt. Clemens exit of the Edsel Ford Expressway.

### Triple Mark

Wayne State University's single-season record of four triples, set by Mike Clark in 1967 on his way to a career record of eight, has since been equaled by seven other players including three in 1972.

Interest may be higher than ever and there will be a smaller turnover of bowlers.

TWO OF THE oldest leagues in the area will be doing business at the same old stands when the fall season opens.

They are the Rosedale Civic League and the Ladies House League at Livonia Lanes.

Both leagues were organized shortly after Livonia Lanes opened for business in 1941 and now rank among the oldest leagues in the entire metropolitan area.

THEY CONTINUE to fly at a great rate at Bel-Aire Lanes in Farmington where summer bowling is reaching a new high.

Dennis Feloni, bowling in the Thursday Mixed League, set the pace with a 544 series. He had games of 275, 193 and 176.

**Snapper For people who hate picking up after themselves.**

It's not just luck that one of the largest grass catchers you can buy has our mower attached to it. When we designed the Snapper, we weren't trying to build a better mower, we were trying to build the best mower, and we did, right down to the grass catcher. The Snapper Comet has a big 5 bushel grass catcher attachment that unloads in seconds. The V-18 and V-21 have a large 3 bushel bag. Whichever one you choose they all pick up grass, leaves and twigs.

Work less and enjoy it more!
