

THE WESTS STAND AT THE FRONT door of the house they renovated from top to bottom.

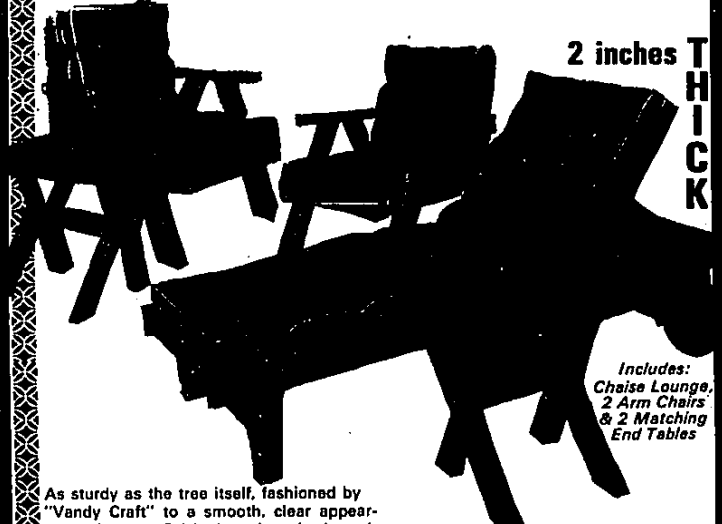

FROM THE KITCHEN SIDE of the dining area, Don West looks at the beam that marks where the old kitchen ended and the addition began.

DON WEST KNEELS in front of the stone fireplace that is a focal point in the West living room. Stones in the fireplace came from every state in the US -- as gifts from friends to the 50-year-old house's original owner.
