

# Mental Health Budget Boosted

PONTIAC funds, totals \$3.5 million, a 24 per cent increase over 1971-72. County programs for the mentally ill and retarded will share \$673,000 in funds this year from the county Community Mental Health Services Board.

The new budget, supported 75 per cent by the state and 25 per cent by fees and county

enable the board to beef up some of these programs and initiate several new services. Existing programs include outpatient clinics for adults, adolescents and children, short-term inpatient psychiatric care, day treatment for emotionally disturbed children and mentally retarded of all ages, and treatment for drug abusers.

Among new services funded this year will be a crisis intervention worker and a community outreach service at Pontiac General Hospital Community Mental Health Clinic.

Others will be a day hospitalization program at

Providence, \$100,000 of programming at New Horizons, Inc. for work activity training of the mentally ill or retarded and increased professional staff for Community Living Inc. operators of group living homes for the retarded.

The Oakland County Mental Health Board expects new services to be phased into operation by February 1973.
