## Red Cross Honors Volunteers

Red Cross youth volunteers from Oberverland were honored recently for their summer work at the Red Cross northwest regional office in Garden City. The 26 high school students donated a total of approximately 850 hours from June through August working on bloodmobile units and in the blood center. Five girls received pins for donating more than 50 hours. Certificates were given those who volunteered fewer than 50 hours. Special honor was paid Deborah Whipple of Garden City who volunteered 168 hours and Debbie Smith of Livonia who donated 122 hours. Young volunteers from Livonia also included Cindy Adams, Karen Burk, Judy Christenson, Helen Epstamps, Laurie Debin, Janice Greenberg, Cidy Igou, Nancy Muma, Lecanne Nalezek, Lori Nesbitt, Debbie Opalinski, Debbie Rzeppa, Cheryl Wyborny and Yvonne Wyborny. Others from the Oberverland area were Debbie Williams of Farmington, Barbara Osiecki of Garden City and Cindy Meloche of Plymouth.

## Grand River Road Work Bids Taken

Low bids totaling almost \$50,800 have been taken on two highway maintenance projects affecting the Oberverland area and now await approval by the State Administrative Board before contracts can be awarded. The bids were taken Aug. 21 in Lansing, the State Highway Commission reported. The projects provide intermittent curb replacement, joint and gutter repair on the business spur of I-96 (Grand River Ave.) both eastbound and westbound between Colgate Ave. in Livonia southeast approximately three miles to the Rouge River in Detroit. Work also includes joint repair on eastbound Grand River at Appleton St., curb and gutter repair on westbound Grand River east of Shawassaw and east of Seven Mile Rd. and joint repair east of Wormer St. Lowest of four bidders for all projects was Medulo Corp., Taylor.

## SC Will Sell NBD Stock

The Schoolcraft College Board of Trustees voted last week to sell 120 shares of capital stock in National Bank of Detroit that is currently in the college's building and site fund. The 120 shares, estimated at \$8,200 in value, was given to the college by Floyd Kehrl of Northville as a gift to pay for the cost of the bells in the college's tower. At that time, the stock was worth \$6,000. Before the bells were installed, the stock was split and the college acquired additional shares. The college purchased the bells, and the additional stock continued to rise in value. The administration recommended the college sell the stock after it has been questions on it when the Legislature was reviewing the college's budget before granting appropriations. The vote was 7-1 with trustee Mary Dumas objecting to the sale at this time.
