America's Most Affluent Suburbs

Livonia, Southfield Led The List In Census

An Observer Roundup

An Observer Roundup

The Observerland cities of Livonia and Subtifield are the most affluent in the United States in their population categories,

Median income in Livonia in 1950 was 315,216, putting it in first place among cities with 100,000 or more population.

Southfield's median income was \$18,141, making it first among all cities with 50,000 or more population.

These revelations came from the census service centered with 100,000 or more population.
