B. F. "Bud" and Cal Chamberlain began planting Chamberlain signs over 24 years ago. Since that first sign, the Chamberlains and their many sales peo-ple have established the Chamberlain sign as the symbol of professional real estate service. The sign simply and symbolically tells you the Chamberlain story.

The BY APPOINTMENT phrase assures you that only qualified buyers will see your home. The Chamberlain sales people go to great lengths to qualify all their buyers as to the financing available to the buyer, the buyer's needs and the location preferred by the buyer, therefore, only those buyers who desire property such as yours will be shown your home. This eliminates the need for you to deal with bargain hunters and unqualified

The name of CHAMBERLAIN stands for 24 years of professional service. This professional standing is perpetuated through our sales people and assures you that all the details of your real estate transaction will be handled quickly and professionally.

The BLOCK "C" stands for 23 offices and 300 plus Chamberlain sales people working to sell YOUR home .

The ASK FOR riders are an added plus, because they direct buyers to the one sales person who knows your home the

The SOLD rider is the most important part of the sign to you and it is very important to us. It means we have successfully accomplished our mutual objective, that of selling your home.
