Dew Drop Inn
Fred Pauline, Prop.

LOCAL NEWS

Mrs. Nate Eisenford was a Franklin visitor Tuesday.

Mr. and Mrs. Floyd Nichols were passengers for Detroit Wednesday, returning the same evening.

Fred M. Warner and C. W. Wilber took a drive over to Franklin and on to Detroit Monday in the former's car.

M. B. Pierce was one of the several locally prominent Republicans who attended the big conference Tuesday.

Mrs. Alexander Smith of Lansing is spending a few days here visiting with friends, having arrived Wednesday.

Mrs. Agnes Bruno came over from Pontiac the first of the week, and is assisting in the F. L. Cook stores for a couple of weeks.

The Farmington chapter, O. E. S., was represented at its county association at Milford last week by thirteen members. A fine time is reported.

Mesdames Steele, Holcomb, Doherty and Allyn and Miss Peterson attended a special meeting of Pontiac chapter, O. E. S., last week Thursday evening.

The Ladies' Aid will meet at the home of Mrs. Leon Green on June 4. All the ladies who can are urged to be present as business of importance will be transacted.

The bank examiners paid Farmington their usual visit Monday and Tuesday of this week and as usual found everything in the local bank in the best of condition.

Mrs. Carlos Steele will be hostess to the Ladies' Union on next Thursday afternoon, June 4. Ice cream and cake will be served at 10c and a general good time is anticipated.

Miss Sarie Pickett has secured an engagement with the Vaughan Glaser Stock company at Detroit, and is appearing with the company at the Lyceum theatre this week in the production of "Quincy Adams Sawyer."

New Ford cars have been going out at a rapid rate lately from the Park Garage agency. Among those who bought are Chas. Cow, Fred Naback, Wm. McHugh, Fred Daines, and Clyde Putnam and W. D. Waite, the latter two of Novi. Ford popularity continues easily in the lead in this section.

Ben Meyers and wife were Detroit visitors Monday.

Mrs. Wm. Ringle and daughter, Miss B. Ringle, were Northville visitors Wednesday.

Commencement and graduation dates for the local high school have been set for June 17th and 18th.

Quite a number are planning on attending the Ringling Brothers' circus in Detroit today and tomorrow.

Horace Durham is now driving a Ford car, having purchased one locally which had been slightly used.

Forrest Dickerson has accepted the position in the F. L. Cook stores made vacant by the resignation of Fred Pauline, and will start on his new duties within a few days.

Colon C. Lilley No Two Fertilizer and Homestead Brands in stock. You don't have to wait for the cars. Call and get our prices and take advantage of immediate delivery.—Amos Otis.

Harrison Johnson expects to resign his position as agent for the D. U. R. just as soon as John Alland will have mastered the duties and responsibilities of the office. Mr. Alland will probably take charge of the office about June 1.

The opening ball game at Navin Park next Monday afternoon is going to catch the usual large contingent of local fans, and many reservations for seats have already been made. Several will drive down in machines, the weather permitting while many will ride varnished cars.

The fore part of the week Michigan and in fact all states east of the Rocky Mountain, sweltered under some unusually hot weather for the time of year, and several prostrations are recorded. Street thermometers registered locally as high as 95, and some say in excess of that. The showers of Wednesday relieved the tension somewhat, and cooled things off to a certain extent.

Last Thursday marked the birthday anniversary of Hinman Nichols, on which date he reached the age of twelve. The event was fittingly celebrated by the young man and some ten or twelve of his girl and boy friends, who gathered in the afternoon and evening for a general good time at the home of his parents, Mr. and Mrs. F. H. Nichols. Refreshments were served and a delightful time had by all.

The new awning for the Schroeder meat market arrived the latter part of last week and was put in place Tuesday.

Will VanEpps and wife were called to Novi Sunday by the death of his mother, who passed away at the home of her daughter. The remains were taken to her late home at Walled Lake, where the funeral was held Wednesday.

Clifford Castelline, of Schrader Brothers store, Northville, brought a big load of furniture over from that place Tuesday for local delivery. And we might preach a little sermon on the value of advertising right here, but modesty bids us refrain.

Master Henry Otis reached the age of four Thursday of last week, and he is just as proud of it as can be. In celebration of the event his parents, Mr. and Mrs. Amos Otis entertained a few of his juvenile friends at a delightful little ice cream supper.

A delegation of prominent local republicans took the cars for Detroit Tuesday morning and represented this township at the "get together" festivities in that city held at the armory. Among those who went are included John Thayer, James Hogle, Dr. E. F. Holcomb and Harry McCracken.

Through an accident the writer left a package of linotype slugs on a late car coming out from Detroit Monday evening. When we went to look for it the following morning, we found it had been left at our present home at the Owen House, sometime before we had even thought about it again. That's service with a capital S, and the obliging employees who helped us out have our unlimited thanks.

Dr. Holcomb has just started selling Walled Lake lots for this season, and when we say selling, we mean every letter of it. Since the issuance of last week's Enterprise, six lots have been sold to local people, the purchasers being Amos Otis (2), Carl Ely, Clarence Bicking, Wm. Walters and L. F. Schroeder, and better yet, the doctor has a big list of enticing looking prospects for additional sales. The lots are beautifully situated on one of the prettiest lakes in the state, and are desirable from every standpoint. The opening announcement for the lots was run for the first time this season in last week's paper, just another illustration of what advertising will do.

Governor Ferris has designated June 4th and 5th as "Road Bee Days" and road and highway officials are busy making plans for results in excess of those of last year, when over 200 miles of road in eastern Michigan was put in shape in one day. The move is a good one and should receive every encouragement and support. Among the things that you can do are to remove logs, rocks, stumps, stones, fill holes, cover stretches with gravel or clay, scrape off sod margins, culverts repaired or new ones put in. The state highway commissioner also urges that road drains be made and plans made for use after rains. Commissioner Hatton is one of the many boosters for the day and good roads, and is co-operating with the state officials.
