Ski Heil By **BILL CAMERON**

Watch out for the heavy savel when there is a lot of modificate in the air (such as ration) youll find a consistency of snow that its comparable to wet cement. This is not only difficult to ski in, it is dangerous. We seem to have an abundance of wet, heavy snow in our area. I took a few days off last week and headed for my favorite city, Toronto. A young friend of ours had invited us over to do some rores-country stilling poor road conditions, the weather, bad drivers - abundance to a letter of the construction of the c

LETTERS to Sports Editor

If You Don't Print This!

Editor:
You have a crazy paper, you know. You favor Churchill High School, which is very poor journalism. A journalist does not play favorites. Bentley, the first high school in Livonia, is hardly mentioned in vour namer.

Editor: I would like to direct this letter to Mr. Ed Bryant, the football coach at Southfield who said, "Kids don't need

football."
I couldn't disagree with him more. If kids don't need football, they don't need any sport. Kids need football and every sport today even more than ever because of all the prob-

you down, but that's your problem. If you droth print this article, that means that you think you are too great to be put down. But I think your be put down. But I think your paper is an awful one.

Must Wise Up

EDITOR:

1 agree with the reader who felt that hockey in Observer-land is differimated against, but for a completely different reason.

Neither Redford Union. Thurston, Bishop Borgess or St. Agatha ha've a school sponsored hockey team, although both boys' and girls', varsity and junior varsity sports such as volleybail, wrestling, and debate continue to flourish in the wake of financial tensions in the school district.

Hockey is one of the fastest trising and most popular sports among high school today the such popular sports among high school truth teme the sollowed the such popular sports among high school truth teme the such popular sports among high school truth teme the such popular sports among high school truth temes.
