ONE OF THE BEST house

ONE OF THE BEST house plants is the so - called "prayer plant," so called because at night the leaves fold up, as if in prayer. There are two plants often called prayer plants, and one is the Calathea, with leaves rather broad and pointed at the tip. They have a rhizome - like root system with leaves arising from the crown. The other prayer plant is Maranta, a close relative of Calathea. The Maranta has rows of brownish to dark green blothes in a row, hence the common name of "rabbli-track" plant.
