“Nylon Shag” CARPET BY LEES

Bright, sparkling “Sun Colors” in a rugged construction that will keep its fresh good looks for years of hard use for these reasons:

The fiber is nylon—the toughest, most wear-resistant fiber ever used in carpet.

The piled yarns are heat set under high temperature and pressure for maximum texture retention.

Two different thicknesses of yarns give a textured look that will last.

Resilience underfoot is achieved through the thick, dense, compact construction, a carpet with lots of bounce, stamina, and body.

Colors: Greenfinch, Circus Red, Ice Cap, Ocean Tide, Black Star, Galleon Gold, Lime Touch, Sunglow, Star Sapphire, Golden Fig, Olive Branch, Copper Glow, Solar Gold, Jade Crystal, Fireball Red, Toasted Wheat, Silversprings.
