wood creek furms By EILEEN ABBOTT

EDITOR'S NOTE: We are happy to announce the re-introduction of the Wood Creek Farms column, covering social news and neighborhood events in the village. Mrs. Eileen Abbott will be writing the column, formerly authored by Mrs. Anne Phillips, whose per tomieny authors by Mrs. Americana, whose personal commitments made it impossible for her to continue. Mrs. Abbott, who lives at 29251 Spring, is a member of the Wood Creek Women's Association, and the mother of five children. "They keep me busy," she says, but still finds time to also serve as

The Civic Assa. Board of Directors has selected the following 1973 officers: Dick McGrath, president; Roger Monforton, vice president; Dan Abbott, secretary; John Woorhies, Ireasurer. Other board members are Frank beath from the Sevakis, Dick, Zebro and DI Conrad Lam. Past president at General Motors proving at Rick Hernan. If was good to hear that Bill Toth has accepted a position at General Motors proving grounds. Therefore, he and Alice have resumed house thought in this area. God Luck to Bill, and it's nice to Make have resumed house thought in the season of the hand are Erik Rogind, French Norr, and Sue Abbott, oboes. The wood Creek residents in the band are Erik Rogind, French Norr, and Sue Abbott, oboes. Some residents seen at the concert were Elinor Blumberg and her daughter. Paul Barber.

If you haven't been to this band's concerts, do go to the next one. It is March 31 at Farmington High School.

A WORD of caution to village residents with dogs. Within the last week, one of our resident's dogs was shot and killed by an unidentified assailant. Please, for their protection and everybody's comfort, keep your dogs at home.

comfort, keep your dogs at home.
Cookies and coffee and a chance to visit with neighbors were provided after the Jan. 30 public hearing in Laboure Hall. Refreshments were provided by the ladies of the Seton Guild Day Nursery Group.
Their school rooms were open for anyone to tour and seemed like a very nice place.

Dick and Mary Kay Agnello have just returned from a marvelous cruise. They visited six islands in the Caribbean and the weather was beautiful the whole time-the bluest leduds. Dick's mother stayed with the girls while Dick and Mary Kay were onne.

FARMINGTON

Farmington planning commissioners have backed nearly chemently opposed by many residents of nearby Chaltham tills subdivision.

To the proposed Kmart shopping center all tallstead and Grand River Rds.

They need the time to get better answers to some of the questions raised by residents who appose a development that is composed of the mission is on is so in is so in is commissioner as "the largest we'll ever see."

The questions came during a three-hour site plan night commission.

The questions came during a three-hour site plan public hearing Mondy night conducting a three-hour site plan night commission.

AFTER CONSIDERABLE

discussion, the commission discussion, and then "as set at arget date of two weeks, at least, for the rapidly as possible," for the rapidly as possible," for the rapidly as possible, "for the next day or two. to a commission next day or two. to show during the mext day or two. to pacify those residents who asked for a complete rejected in the committee would review data supplied by the commission. The commission on traffic and the project. They ill the about the project may be reveal times during the three - hour discussion, in raiter residents who discussion, in raiter residents who asked for a complete rejected to the development. Their "input" view data supplied by the commission or such that has been characterized by one commissioner as "the largest we'll ever see."

The questions came during a three-hour site plan number of the project. They would be approximately a plan to the committee would be presentately so would be approximately a plan to the commission to seek a traffic at several times during the three -hour was questioned by several times during the three -hour site plan as the form that the project. They would be approximately a plan to fine to pack the project. They all the project was a second final to the project mere of the project. They all the project would have a greenbelt of trees and his ferror to help in the commission to seek a traffic

YES Is Criticized

The "resume of activities" was an account of the center's activities written by the program director. It was issued along with a statistical profile listing the types of jobs filled, the total number placed, and the age distribution of the applicants.

LICHTMAN SAID the report indicated Mrs. Orians was getting involved in "areas she is not qualified to work in-she is supposed to be getting these kids jobs, not getting involved in their personal lives"

He attacked the director's squaffications several times, saying "no one has told me the qualifications of the director."

The RA's, as they are known of a square the saying "no one of the work of the square the square that the square that

Trustee Margaret Schaeffer, one of the original supporters of the program, replied, "When something is working, it shouldn't be thrown out for these kinds of reasons."
