# Grand Opening

THURS., FRI., SAT., FEB. 22-23-24

## You're invited to look in on what we got in on.

This may be short notice, but you're invited to our Grand Opening party, (Feb. 22-23-24). You, drink and try to guess who the salesman are and bring the bids. There will be plenty of refreshments and souvenirs for everybody. We just want you to enjoy yourself and take a good look around.

Look into our Parts Department. (There are genuine VW parts for virtually any VW on the road.)

Visit our Diagnosis and Service Department.

(Our Volkswagen schooled Diagnosticians can discover those small problems and our Volkswagen schooled Mechanics can fix them, before the problems get too big).

And, of course, look into our full line of VWs. If one catches your fancy, we'll be happy to give you a test drive.

But, if you don't get a chance to look into everything, come again.

The party may be over, but the fun of driving could just be starting.
